Graceful and Attractive Women.

If you are thin and want to be plump; if you have wrinkles in your face that you are not proud of, if your skin is sallow and subject to pimples or blackheads take MI-O-NA stomach tablets for two weeks and notice the change.

Nine tenths of the thin people are thin because the stomach is not active; it is not mixing thoroughly with the natural digestive juices the food put into it, and consequently is not extracting from the food enough nourishment matter for the blood to distribute to every part of the body. If the stomach does not do its work properly the nourishment in the food you eat is passed along without giving to the body any flesh building elements.

MI-O-NA stomach tablets quickly build up the stomach so that it extracts from the food all the elements necessary to form good solid flesh.

If you are thin try a two weeks treatment of MI-O-NA stomach tablets; two with each meal will work wonders.

MI-O-NA stomach tablets are guaranteed to cure indigestion, acute or chronic, or money back. Sold by the Newlin Drug company and druggists everywhere, at 50 cents a box. My 16, 25, Jun 6.

Watch Your Kidneys.

Their action controls your health. Read what Foley Kidney Pills have done for your neighbor.

Mr. Carl Richter, 614 Brons avenue, Peoria, Ill., writes: "I used to spend sleepless nights and days of severe suffering, with backache and pains in my side. These started over my kidneys and depressed my whole system. This was due to kidney trouble. I tried different medicines with but little relief until I began taking Foley Kidney Pills. Two bottles cured my back-ache and stopped all pains. Now I can again work all day, sleep sound at night and feel improved in every other way. This I owe all to Foley Kidney Pills, which have my strongest recommendation." Mill's drug store.
