

PROSPERITY vs. POVERTY

Paying rent leads but to one end—poverty. Then why not put your rent money into your own home. We will sell you a home just to suit your condition—on rent terms. The accumulation of property leads always to prosperity. Come in and talk this matter over with us and you will be convinced.

DR. MOORE AND PARTY AT FLORENCE MAY 14.

Will Reach London in Time for Coronation Says Writer.

On May 14th Dr. and Mrs. F. E. Moore and Judith Snodgrass, the latter of this city and the two first named former residents of La Grande, were at Florence on their European tour. A postal card received by Chrissy Golithan from the party says that they are enjoying the balmy climes immensely and also state that they will reach London in time for the coronation festivities. Mr. Moore gives his address in London as Care Thomas Cook & Son, Ludgate, London, England.

MOTHER.

Mother! If thou couldst but hear me,
But I call thy name in vain.
Thou alone didst understand me,
Thy soft touch would ease my pain.

When the world is cold and distant,
No one seems to understand,
Now I long to ease my heartache,
While I hold thy loving hand.

As in childhood days I sought thee,
Calling for thee o'er and o'er,
In Eternity I'll find thee
When time waits me to yon shore.

THE NAME STUCK.

And Yet the Man Who Owned It Didn't Feel Flattered.

They had been speaking of namesakes, and one of the group had mentioned with pride that not only were four nephews and two grandsons his namesakes, but that a business block lately built in his native town had taken its name from him.

"And I like it," he said heartily. "I consider it an honor. You know how I feel," he added, turning to one of his friends. "I hadn't been in your little town more than an hour before I saw your name at the turn of a road. 'Howard's Corner.' You must admit it's gratifying."

"May be to you," said the other man dryly, "but as it happens, the reason that's called 'Howard's Corner' is because, when I was about twenty and knew more than I ever have since, I took the girl that I was courting out in a new top buggy with a lively stable horse and tried to show off how sharp a turn I could make.

"I tipped her out just as a party of summer boarders came along. The buggy was smashed up some, and the girl rode off with the boarders, mad as a hornet. There was a young man among them whom she afterward married.

"I don't begrudge her to him, for I got a finer girl later on, but when the name the boarders gave that place in the road stuck and by and by was put up on the signboard while I was out west I can't say that it ever struck me as any special cause for pride."—Youth's Companion.

Licenses For Washerwomen.

Licenses for washerwomen is the latest plan of Mayor William S. Jordan of Jacksonville, Fla., who has announced that he would urge upon the city council the necessity of passing an ordinance requiring persons who take in washing to register with the city recorder. The mayor believes such an ordinance is necessary as a sanitary measure, so that clothes may not be taken into homes where contagious diseases exist. The proposed ordinance also contemplates the idea of protecting the public against the loss of clothing.

The Latest About Appendicitis.

It has been announced that wind or gas in the stomach or bowels, sour stomach or constipation, are symptoms of chronic appendicitis, which may any minute become acute. A doctor states that A SINGLE DOSE of simple buckthorn bark, glycerine, etc., as compounded in Adler-ika, the new German appendicitis remedy, relieves these symptoms almost INSTANTLY. A. T. Hill reports that many La Grande people are receiving QUICK benefit.
