about \$200, being about \$25 less than prices paid for the same class of horses last year.

Kooser is an "umps" worthy of the name. There was not a single kick during the game, and he was there on balls and strikes.—Elgin Recorder.

Construction of bathing houses at Riverside will be commenced shortly, and along plans of the architect who planned the improvements at the park.

Union will play in La Grande Fourth of July. The game will be arranged at an hour when it will be convenient for all, and that it will be an exciting contest is assured, in view of the fact that Union has taken a hitch in its belt and is now playing fine ball.

Elgin goes to Union tomorrow, while La Grande goes to Baker. Baker will play here the following Sunday.

NEWS FORECAST.

Washington, June 3.—President Taft and many other notables will assemble in Baltimore Tuesday for the jubilee celebration in honor of the 50th anniversary of Cardinal Gibbons' ordination to the priesthood and the 25th anniversary of his elevation to the cardinalate.

Later in the week the president is to make a short visit in New York. Among his engagements in the metropolis will be to review a parade of Sunday school children in Brooklyn and an address at a banquet to be given at the hotel Astor by the Interstate Cotton Seed Crushers' association.

Opponents of state wide prohibition in Texas are to hold a great rally in Fort Worth Monday to mark the formal opening of their State campaign. Gov. Colquitt and other prominent men of the state are to speak. The state wide issue is to be decided at a special election to be held next month.

A large number of important conventions are scheduled for the week. Among those of more or less general interest will be the general assembly of the Presbyterian church of Canada, in Ottawa; the annual meeting of the National Conference of Charities and

Correction, in Boston; the meeting of the Lutheran General Synod, in Washington, D. C.; the Interstate Cotton Seed Crushers' association, in New York city; the American Water Works association, in Rochester; the National Association of Clothiers, in Atlantic City; the Hotel Men's Mutual Benefit association, in Boston; the National Association of Piano Dealers, in Chicago, and the annual meeting and tournament of the North American Skat league, in Pittsburgh.

Saturday is the day fixed for the investiture of the Prince of Wales as a knight of the garter. It is understood that the investiture will be strictly private. Other events in the foreign field will be the start of the all-European aviation races, the Richmond Royal Horse show, the Franco-American celebration at St. Die, the international convention of Good Templars at Hamburg, and the continuation of the arrangements for the coronation in London.

Lighting Economy

"If electric lights were as economical as coal oil lamps, we'd all use them."

—but wait a minute. What do you call economy? Is it economy to impair your health with ill-smelling lamps that burn up the life-giving oxygen in the air?

Is it economy to strain your eyes using a dim yellow light that smokes and flickers.

Is it economy to run the terrible risk—fire and explosion—that is ever present when coal oil lamps are used?

These are not economies; they are dangers.

Electricity furnishes a cool steady light, that leaves the air pure; that won't flicker, and can't explode. All you need to do is press the button, and it's ready any time.

When your health, comfort, and peace of mind are taken into consideration, **ELECTRIC LIGHT IS CHEAPER.**

It doesn't cost much to have your house wired. Just phone Main 34, or call at our office.
