Elgin	3	4	.429

Union	2	4	.333

Union, June 5.—(Special)—Union came back and made it two straight by her terrible batting proclivities again yesterday when Elgin was defeated 15 to 12. It was a 15 to 6 proposition up until the ninth inning and though Baker got going and ran in six scores she could not overtake the big lead. Smith threw out nine and Aubin seven while Union got 17 hits and Elgin nine. Aubin was hit at times when bases were full and hit hard.

WHY HESITATE?

An Offer That Involves No Risk For Those Who Accept It.

We are so positive our remedy will completely relieve constipation, no matter how chronic it may be, that we offer to furnish it free of all cost if it fails.

Constipation is caused by weakness of the nerves and muscles of the large intestines or descending colon. To expect a cure you must therefore tone up and strengthen those organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our guarantee. They are eaten like candy, and are particularly ideal for children. They act directly on the nerves and muscles of the bowels. They have a neutral action on the other organs or glands. They do not purge or cause any inconvenience whatever. They will positively overcome chronic or habitual constipation and the myriads of associate or dependent chronic ailments. Try Rexall Orderlies at our risk. Two sizes, 10c. and 25c. Sold only at our store—The Rexall Store. Hill's drug store.

European Cruise of Midshipmen. Annapolis, Md., June 5.—In charge

of Commander R. E. Coontz, the midshipmen of all three classes at the United States naval academy sailed today on the regular summer cruise to Europe. The cruise is being taken in the battleships Iowa, Massachusetts and Indiana. The itinerary this year is an unusually attractive one. After an eight day stay at Queens-town the ships will go to Kiel, Germany, where they will be from July 3 to July 12. They will proceed thence to Bergen, Norway, arriving July 15 and leaving July 23 for Gibraltar, where they are due August 2. The midshipmen will sail homeward from Gibraltar August 8 and arrive at Solomon's Islands, Md., August 23, where five days will be spent before returning to Annapolis.

E. C. BENEDICT, YACHTSMAN, BECOMES EXPLORER.

If you possessed a splendid country estate on the Long Island sound shore near Greenwich, Conn., with a commodious villa and sixty acres of landscaped ground, including "Friendship Grove," with trees set out by such friends as Grover Cleveland, Joseph Jefferson, John G. Carlisle, Andrew Carnegie, Thomas Bailey Aldrich and Charles W. Fairbanks, would you forsake it all for a long period and go on a voyage of exploration to the upper reaches of the Amazon river, where only wilderness abounds? That is just what E. C. Benedict, the noted yachtsman, has done. With a party of friends he is bound for the Amazon in his steam yacht Virginia. He hopes to add something to geographical and scientific lore. Commodore Benedict was a special friend of President Cleveland, much of whose important state work was planned aboard the Benedict yacht. It is said that he has entertained at his Connecticut home more prominent persons than any other man in America.

Stevenson's Dental Office

Have you noticed any profession making more rapid strides in the matter of new and improved methods the past few years than Dentistry? These days it takes a live man to keep up and unless he does keep abreast of the times he is hopelessly left.

Sanitation is one of these items that deserves public attention. The floors and walls of a dental office should be in such dress that dust and germs cannot collect. The dental furniture should be steel enameled and of such construction that all instruments can be sterilized.

Dr. G. A. Brown who is a graduate of the Chicago Dental College and who has had ten years office practice, a thoroughly competent man, is associated with me and will be in the office permanently as he has moved here with his family. I have looked into Dr. Brown's record very carefully and can say to you that he is a thorough, reliable man.

When you are in need of a dentist call up STEVENSON'S DENTAL OFFICE and make an appointment or call and we will give you the best service of which we are capable.
