

PROSPERITY vs. POVERTY

Paying rent leads but to one end—poverty. Then why not put your rent money into your own home. We will sell you a home just to suit your condition—on rent terms. The accumulation of property leads always to prosperity. Come in and talk this matter over with us and you will be convinced.

EXHIBITION HALL MOVES.

To Be Taken to Quarry Where It Will Serve as Lunch Room.

The exhibition hall which for a number of years had stood near the depot is being moved today by J. L. Mars, who recently purchased it from the Commercial club from its old stand on the corner of Depot and Jefferson streets.

Mr. Mars says that he will take it to his stone quarry and fit it up with tables and a stove for a place in which which his men may eat their dinners and rest during stormy weather. The old hall was placed on trucks and a steam roller is employed to draw it to the quarry.

The railroad officials met its removal with a great deal of pleasure—they have wanted it moved for three years.
