

60-DAYS ONLY-60

We have decided to run this store just 60 days more. Every dollars worth of goods must be sold in that short time, including fixtures. We have about \$4000 worth of first class, up-to-date merchandise, all seasonable stuff, and it must be sold in the next 60 days. You must realize what it means to close out a stock of goods in 60 days. It means that

Prices Must Be Cut and Slashed!

until people cannot resist the temptation to buy. Our expenses are heavy and we must get away from them...There is only one way for us to do this and that is to sell the stuff. Remember this is not a sale to close out undesirable stock, but every article must be sold and sold in 60 days, for our creditors want their money.
