ELECTRIC LIGHT

--an Inexpensive Luxury

Eastern Oregon Light & Power Co.

Think what it means to have a bright white light, wherever and whenever you want it — a light that is sootless, smokeless and odorless — a light that can't be overturned or explode — a light that won't overheat or contaminate the air. A safe bright cool and steady light; its many advantages make it a luxury, but its inexpensiveness places it within the reach of all. The cost of wiring is very low. Phone Main 34 and we'll tell you what it will cost you.
