are thinking of New Clothes for Spring and Summer

and it's just the time when you should see the new styles and learn where the best values can be had. Appearance counts in the battle of life. It is important that you dress well. It is equally important that you get the best values for the money you invest in clothes.

Dressing well means neither more nor less than dressing simply, suitably and sensibly, the accomplishment of which is exceedingly easy when you have the right clothes to select from and the right kind of a clothier to help you make your choice and see that you get properly fitted.

In all lines of apparel for Men—Clothing, Shoes, Hats and Furnishings, we show none but the most dependable makes; goods that have proven their worth and which we can recommend with full confidence that they will make friends for us.
