EXPRESSES THANKS.

To the editor—At a business meeting of the members of the Union County Motor club held at Hot Lake sanitarium last night, following the banquet, the following resolution was unanimously adopted: "Resolved that the members of the United County Motor club express to the management of the Hot Lake sanitarium their grateful appreciation of the kindly and hospitable manner in which they have been received on this occasion."

I wish in behalf of the club members and their guests as well to here set forth more explicitly the sentiments which I had in mind during the attempt to respond to the kindly address of welcome given by Mr. Pierce. I am sure that we all, members of the club and our guests, harbor a strong sense of gratitude to Mr and Mrs. Pierce for the very thoughtful and elaborate manner in which they extended their hospitality—having in mind the fact that such an elaborate function entailed on the management and their very efficient assistants, much extra care and work, interrupting as it did the usual routine of the establishment. I am quite sure also that I am giving expression to the sentiments of the members and guests of club members when I say that we all wish for Hot Lake sanitarium a great measure of success and for Mr. Pierce a continuance of the good health and energy which has enabled him with indomitable will to meet and overcome obstacles in the unfamiliar work he has undertaken which to most men would seem insurmountable—realizing as we do that continual success for this institution means a continuance of the favorable influence brought to the whole county thereby.

Very truly yours,
M. K. HALL,
Acting Secretary Union County Motor Club.

Such is the alignment of automobile owners who will govern the initial year's work of the Union County Motor club, chosen at a business meeting held at Hot Lake "this morning." Committees appointed at the maiden meeting held in this city a few weeks ago were ready to report in detail and perhaps the most important of these was the by-law committee. Patterned after the national Auto club by-laws, the document stands well night perfect. The business meeting adopted the report in toto and while much of the report is technical, establishing the nominal fee, payable \$3.00 semi annually, and creating the rules of procedure, the general tone of the by-laws line out a field of work and social enjoyment that will make the club worth while. Sixty-six have signed the charter membership and other subscriptions are still out.

The by-laws provide for honorary, active and non-resident members, and the general purpose of the club is to promulgate social features, arrange and promote runs and meets, keep accurate tab of records made, look toward betterment of highways, and in various other ways become a factor for good in the community. Motor cyclists are eligible.

Nine directors will constitute the governing board and all sections of the valley are to be represented. From these nine men, a president, vice president, secretary and treasurer will be chosen, this at a nearby date.

Already an auto run is under consideration for it is possible that the fish hatchery on the Minam will be visited by the club this season. Runs to Boise, Walla Walla and Pendleton are also under consideration.

Little else was done than to adopt the report of committee; and elect the nine directors. The meeting of members will be annually unless otherwise called.

For summer diarrhoea in children always give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil, and a speedy cure is certain. For sale by all dealers.

LA GRANDE LOST AGAIN.

Second Game at Baker Won Six to Five Yesterday Afternoon.
What is declared in meagre advices to have been an excellent game was won yesterday afternoon at Baker by Baker. This was the second exhibition game La Grande lost this week. The final score was six to five. The last game of the series is to be played today.

(Baker Democrat, Thursday.)
Baker got even with La Grande in a measure for the numerous trimmings the local baseball team has received from the boys down the line when the home team took the visitors into camp, in a fast game yesterday, by the score of 4 to 1. Matthews, a Baker discard, was on the slab for La Grande, and while he pitched a good game, was hit at the time when his excellent work as usual and was never compelled to exert himself as he had the visiting batters safe at all stages.

The feature of the game was a home run drive by Gheen in the 6th inning, when Baker's fast outfielder lifted the sphere over the left field fence. It would have been good for two home runs on La Grande's lot. Both teams put up a fast fielding game. Bradley for the visitors giving an unusually fast exhibition.

There was a fair crowd of fans present and all were well pleased with the fine exhibition of the national game as well as the fact that the home team landed on the right side of the score. The two teams meet again this afternoon at 3 o'clock.

The manager of the La Grande team announced that he would pitch McInnis today. Spoonmore, a new pitcher secured by Baker, will officiate for the locals.

EXCURSION SUNDAY NO DOUBT.

While Nothing is Definite, Believed Scheme is a Feasible One.
It is believed that a special train will be run to Elgin next Sunday. The fans are demanding that accommodation and the management awaits further expression of the interest in such a venture before closing the deal with the O.-W. company. Definite announcement will be made tomorrow. This special train will give fans along the line a chance to see Elgin and La Grande play next Sunday.
