The weather man has promised
good weather for next Sunday and
predictions are made that the
attendance at the Elgin-La Grande
ords. La Grande is getting to the
point where two or three more victo-
ries will clinch the pennant but at the
same time all the other teams are
strengthening up so that it appears
there will be a lively finish at the
end for the honors.
Interest in the game from the El-
gin end is keen.

UNSUCCESSFUL ATTEMPT MADE
AT STATE RESTAURANT.

Officers on the Alert and Stop Boiling
Prisoners.

Recently advised by a rapidly
approaching clanking of prison doors.
Frank Miller, the criminal who was
convicted of box car robbery a few
days ago and sentenced this week to
the penitentiary, and Robert Owens,
a convicted horse thief, last night
made a bold but unsuccessful break
for liberty while being fed at the
State restaurant. In charge of Sher-

Don't her welfare—her health and happiness call
for something than she puts up with?

Isn't she entitled to the things that will make her
work easier and her cooking hours shorter?

Our Electric Ranges cost no more to operate than
coal or wood and they are better in every way. They
are quicker, easier and cleaner to use than any other
range.

If you think the woman who cooks the meal in your
home is entitled to the best—call us up. Main 34.

the two men, one of whom is especial-
ly a notorious bad man, the men
were taken to the State restaurant to
be fed before the night train would
arrive to take the prisoners to Salem.

In the progress of the meal, with the
handcuffs on, the two men suddenly
bolted, one reaching for the door
and the other for the front. The offi-
cers were on the alert, for Miller's
movement when in the vicinity of
the kitchen was watched
and he was seen during the several
weeks he has been in the county jail.

Neither of the men got far from the
table at which they were eating before
being brought to a halt.

The prisoners were on the train,
however, and will likely be landed
safely in the penitentiary.
