And, whereas, each of the above named owners with ten days after such notice of such assessments were first published duly filed with the recorder of the city of La Grande a written application to pay in installments said assessments so assessed against his respective parcel of property and each and all of which said applications stated that the said applicant and property owner did thereby waive all irregularities or defects, jurisdictional or otherwise, in the proceeding to improve the street for which said assessment was levied, and the apportionment of the cost thereof, and each of said applications also contained a provision that said applicant and property owner agreed to pay said assessment in ten annual installments with interest thereon at the rate on all of said installments which have not been paid as that expressed in the bond issued to pay for such improvements, to wit, at the rate of six per cent. per annum. Said application also contained a statement by lots or blocks or other convenient description of the property of the applicant assessed for such improvement; and,

Whereas, said applications are separate and are now on file in the office of said recorder of the city of La Grande and in a book kept for that purpose, under separate heads for each street improvement, the said recorder has entered the date of the filing of each application, the name of the applicant, a description of the property and the amount of the assessment shown in the application; and,

Whereas, immediately after the ex-

piration of the time for filing applications for the payment of said assessments by installments, the said recorder entered in the bond lien docket of said city under separate heads, for each street, each name or number, a description of each lot or parcel of land or other property against which such assessment is made or which bears or is chargeable for the cost of such improvement with the name of the owner and the amount of such unpaid assessment; and,

Said bonds shall bear date June 1st, 1911, and shall by the terms thereof mature in ten years from said date thereof, and be payable in gold coin of the United States, and bear interest at the rate of six per cent. per annum, payable semi-annually, on the first day of June and December of each year, said interest to be evidenced by coupons attached to said bonds, both principal and interest being payable at the office of the city treasurer in La Grande, Oregon.

Said bond shall be designated "Improved Bonds" and shall be attached to the city bonds representing semi-annual

ments. Such bonds before issuance shall be signed by the mayor of the Plate Comp. FRIDAY June 30 gal 3 city, countersigned by the recorder of the city of La Grande, and authenticated by the seal of such city attached thereto, and shall be registered consecutively by number and denomination of each in the Improvement Bond Register of said city.
