

# IT ENDS TOMORROW!

## And we are having an Exciting Finish!

Hundreds of eager buyers were in attendance the past week. Surprise and pleasure was written on every face. The low prices were simply astonishing.

We expected a rush--and prepared for it--but with all our precautions we have been at times nearly paralyzed by the sea of humanity that surged through the store.

Everybody in this vicinity seemed to have heard of this sale for they have come for miles around, all with the same object in view. Buy—Buy—Buy. Come join the crowd tomorrow, this the last day of the sale. Stocks have been re-arranged, many lines that didn't get a show will be pushed to the front.

**Crowds at Atlantic City.**  
Atlantic City, N. J., July 7.—During the many years that Atlantic City has held the premier place among the popular eastern coast resorts it is doubtful if there ever was a time when it entertained such an enormous crowd as at the present time. The beaches and the board walks were literally black with people today and it will

play standing room only signs in their corridors during the remainder of the week. The unprecedented rush of visitors is due partly to the presence of President Taft and the great convention of Christian Endeavorers which he addressed today and partly to the early arrival of hundreds of delegates and visitors to the convention of Elks which is to be held here

be necessary for the hotels to discontinue the coming week. Just what the local hotel men will do with the Christian Endeavorers, the Elks and the ordinary visitors who remain over Sunday they do not attempt to say.

For summer diarrhoea in children always give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil, and a speedy cure is certain. For sale by all dealers.
