THE STORE THAT SATISFIES

ROUND TABLE IS POPULAR

FEATURE COMMENCED YESTERDAY WELL ATTENDED.

Timely Topics Discussed at Afternoon Chautauqua Feature.

The round table is no small feature in the current splendid exercises at the Chautauqua grounds. This afternoon Hon. George Cochran gave in his eloquent way a fine address on travel in the Orient where he spent four years. China, Japan and the Philippines were the places he visited. On Monday the Hon. Walter Pierce one of the best read and most eloquent men of Oregon will speak on the great subject of "Reciprocity," the question now interesting the people of three nations and agitating many minds.

Tuesday afternoon holds the name of Dr. Underwood who will give reminiscences of the work of an American physician in Turkey where he was for eight years. All the round table talks are to be at 3.30, immediately following music by the trained and special orchestra.

Take a week off, folks, and get this Chautauqua feast. Chautauqua comes but once a year. But when it comes it brings good cheer.

Barton Heads Sumpter Valley
Joseph Barton has been placed in charge of the operation of the Sumpter Valley railroad and has just begun

his duties, says the Baker Herald. President Eccles, just before he left, appointed Mr. Barton assistant superintendent with the power of being the responsible operating official. No superintendent has been appointed.

Mr. Barton has been with the road 15 years and understands all phases from the operating of an engine to the arranging of a freight schedule. He has been discharging the duties of official ever since the death of Mr. Geddes last November and was formerly in charge of the road. He resigned on account of ill health just four years ago the day he received his new appointment.

Execution of Negro Murderer.

Charleston, S. C., July 7.—The execution of Daniel Duncan, the negro convicted about a year ago of the murder of Max Lubelsky, takes place this afternoon in the courtyard of the city prison. The murder of Lubelsky, a King street tailor, occurred on June 21 of last year. He was found in his shop senseless and lying in a pool of blood. The only clue left by the murderer, whose motive was robbery, was a bloody stick with which the crime had been committed. A few weeks later the widow of the murdered man was attacked in her husband's place of business in a manner similar to that which resulted in the death of Lubelsky. Duncan was seized outside the store and recognized by a neighbor as the man in whose hands he had seen the stick with which the tailor was killed shortly before the murder took place. The negro was tried and convicted of the crime. His case was carried to the state supreme court, which tribunal declined to interfere with the verdict.

New Laws in Nebraska.
Lincoln, Neb. July 7.—Many of the

laws passed at the recent session of the Nebraska legislature went into effect today. One prohibits any person under the age of 18 from using tobacco in any form. Another prohibits all public exhibitions of hypnotism or mesmerism. Another provides heavy penalties for persons concerned in the "white slaves" traffic and makes it competent for a wife to testify against her husband in such cases.
