MOUNTAIN HOME NEWS.

Crops are looking fine but if there would come a good rain there would be an over production of hay. A. S. Sundman is down from his mountain ranch on business. Nell Johnson was in the city on business recently. Ben Sholdstrom was in the city attending to personal matters. He also brought in an over supply of cream from his dairy on Whiskey creek. Lindsay Brothers were down spending a day or two with friends. P. V. Stiles' brother returned to his home in La Grande after a brief visit in the mountains. Miss Coral Lindstey has taken up teaching in her home district with an enrollment of nine pupils. Miss Buelah Dewey has just closed a very successful three months' term of school with a picnic at the close. She expects to leave for her old home in Kansas. The neighbors of Mountain Home extend their best wishes to her. Mrs. P. V. Stiles is feeling some better after her recent illness. Willie Nebker and family have moved to Rock Creek camp where he is employed by the Grande Ronde Lumber company. Lisle Lindsay went to Perry with a big supply of butter. Mrs. M. V. Bartmess and little grand children are living on her homestead. Popular young people of the neighborhood were down taking in the theatre and visiting friends and relatives for the day. Mrs. M. V. Bartmess' grandson Ray has just returned to his home after a few days visit. The Grande Ronde Lumber company

have moved their camp over on Whiskey Creek where they are logging. Helper engine 102 on the G. R. L. run has been in the repair shop for the past week being overhauled.
