

# A GREAT NINE-CENT SALE

Today at 9 o'clock our doors were opened upon the grandest and most novel sale of merchandise ever held in this town, and we want every person in this county to visit us this week to see what real bargain giving is. Red price cards throughout the store tell a tale of price destruction that you can scarcely believe until you see it with your own eyes. Every price for this sale is 9c, and goods that sold formerly for 12, 15, 20, 25 and even 35 cents, have been made up in bargain lots and the prices marked down to 9c. NINE CENTS in flaming red is the mystic price that rules the hour. A dollar spent at the Nine-Cent Sale will pay you the biggest interest a dollar ever brought. Come and see how much goods you can carry away for it. The sale will last for at least one week and possibly longer. We want to urge you to come early, for many of the bargain lots will go in a hurry. READ PRICES BELOW AND COME.
