

# Next Week is Employees' Week

This means much to you --- It means much to our salespeople

## Here is our plan

For six days, beginning with next Monday, July 17th, we shall let our employees' conduct our establishment and they will share in the profits.

Each employee receiving a share of the gross sales for the week, every one in our employ to share alike.

## You can well afford to help

Because our salespeople are the friends of those they serve--they help you to secure merchandise that pleases you and gives you the best service for your particular needs. They deserve your consideration and we are giving up this week for that reason.

## Come--Help to make this a gala week

You'll be glad you did and, of course, you'll find some unusual offerings in seasonable goods, such as you may be in need of just now.

Local Schools Inspected as to Furnishings and Equipment

L. Levy, M. F. Davis and C. J. Forstrom, members of the Union board of education were here yesterday looking over the La Grande high school building, inspecting in detail the furniture and equipment with a view of preparing their own orders. The big school building at Union is nearly done and now that the structure has to be equipped and furnished throughout the board deemed it advisable to come to La Grande for instructions and helps. The board was shown through the building and given all the information possible in the matter sought and the men went home with a haul of information and figures of which they will make good use.

## CHERRY SHOW DRAWS INTEREST

### BOOSTERS FIND ENTIRE VALLEY DISPLAYING INTEREST

Party Leaves La Grande for Last Lap of Journey Last Evening

The entire country is displaying much interest in the cherry show at Cove July 19 according to Roy Conklin, Mr. Lantz, "Tobe" Rees, Chris Stackland and the dozen others who arrived in La Grande yesterday after their tour of the north end of the valley. The three machines in the brigade made it home last night. The tourists left La Grande bound for Hot Lake and Union at about 5 o'clock last evening and reported a great deal of

interest all along the route. They visited all the towns in the valley and left liberal quantities of cherries at every town.

A good old fashioned baby show, free cherries, old time fiddle contest, free coffee and plenty of other amusements are being added to the regular list of entertainments.

Sprains: see the careful treatment. Keep quiet and apply Chamberlain's Liniment freely. It will remove the soreness and quickly restore the parts to a healthy condition. For sale by all dealers.
