**FEAR, FAITH,  
CAUSE DISEASE**

**DR. SADLER PROPOUNDS ON FAITH CURE.**

Name Immaterial, Faith in Treatment Taken Necessary

Fear and faith make and cure a great many diseases, while the names Christian Science, Dowleism, New Thought and a half dozen other teachings and cults amount to naught, according to Doctor William S. Sadler in his address "Relation of mind to sickness and health." Last night the rain and threatening weather kept many away but the two or three hundred present gave rapt attention to Doctor Sadler's address.

His convincing arguments hinged on the fact that the mind can make one ill—a self evident fact—and therefore can largely be used in the healing of the same ailment. When he had finished, he had clearly demonstrated that it is not the name of the cult, or teaching which heals, or the man who heads the cult, but the individual's faith. Liberal illustrations were given to carry out the thought. "Get your mind off your imagined or real ailments, and you will have gone a long ways toward curing it, for focusing of thought on any part of the body causes an overflow of blood to that part, resulting in congestion, inflammation and related undesirable conditions," said the speaker. He went, at some length, into the powers of modern cults pointing out his reasons for asserting that it matters not what the cult is called, when it effects a cure of any disease it is nothing more or less than the patient's faith in the treatment taken, be it medicine or exercising of mind over matter.

**ARRANGING FOR CHOIR CONCERTS**  
George D. Pyper Writes of Success From Toledo, Ohio.

(From Deseret News.)  
George D. Pyper, general manager and advance agent for the New York trip of the tabernacle choir, writes from Toledo, O., under date of July 3 that he is meeting with fair success in arranging the details of the itinerary of the choir while en route to the American Land and Irrigation exposition, to be held in New York, Nov. 3 to 12. Reporting his trip in the order of the cities visited he writes that he was unable to arrange for the appearance of the choir in Cheyenne, while on his eastward trip but that definite arrangements may be made for a concert there while on the way home. At Omaha all details for a concert have been completed. The choir will appear there on the evening of Oct. 25. The appearance of the choir at Des Moines is uncertain. If satisfactory arrangements cannot be made to give a concert there, the choir will proceed to Chicago where arrangements have been made to appear for two successive nights in the Orchestral hall, which is well adapted to the requirements of a musical concert such as will be given by the Salt Lake singers.

Bid Yourself of Unnecessary Burden Don't bear unnecessary burdens.

Burdens of a bad back are unnecessary. Get rid of them. Doan's Kidney Pills are for bad backs; For lame, weak and aching backs; Lots of grateful endorsement to prove their worth.

C. S. Howard, 1614 W. Webb st., Pendleton, Oregon, says: "For fifteen years I had a great deal of trouble from a dull pain through the small of my back and left side and during the past there was numbness under my shoulders. I was unable to lie comfortably on my back and I was bothered a great deal by too frequent passages of the kidney secretions. After several well-known remedies had failed to help me, I took Doan's Kidney Pills and they relieved all my trouble. I am grateful to this remedy for its good work."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
