DIRECTORS' MEETING TUESDAY.

Secretary A. V. Andrews has issued notice of a directors' meeting for 7 o'clock at the Commercial club when the Union County Motor club will act on the proposed racing meet here. The meeting is of importance.

Seventeen automobile centered at the hatchery on the Wallowa river yesterday noon when the first run of the Union County Motor club was held. Because of the extremely hot weather many were detained at home, but even with the mercury over the 100 mark the total number of guests was large. Nearly all were of this end of the valley, however. Every last one of them enjoyed the picnic, fishing and bathing. Bathing facilities are good for a whole mile along the river at the hatchery. No accidents of any kind are reported today and the machines averaged two hours and a half in making the trip each way.

TRADE AT HOME THE GROCERY

Successors to Harris Market...Corner N. Fir and Monroe Phone Main 70

It has come to our knowledge that many people are sending to Portland and other places for their groceries. We have only been in business a few months but we believe we can give as good prices right here in La Grande as you can get in Portland. All we ask is this...make out your list and let us figure on it before you send away, then compare our prices with others, not forgetting to take the quality as well as the quantity of the goods into consideration.

The goods we handle speak for themselves. Red Ribbon, Del Monte, Blue Ribbon and Meco canned goods are well known and need no recommendation.

Space will not permit us to list all our goods but we handle a full line of Staple and Fancy Groceries IN QUALITY second to none in the city. When you send away for your goods you pay cash for them...you also pay the freight and cartage. The prices here listed are net, freight and cartage to be added. These goods will not be sold in less quantity than listed. Prices named are Cash (do not ask for credit.) Goods will not be delivered at these prices. Produce will be taken at cash prices.
