33. A depositor will be permitted to exchange the whole or any part of his deposits in sums of \$20, \$40, \$60, \$80, \$100, or multiples of \$100 up to and including \$500, into United States registered or coupon bonds bearing interest at the rate of 2 1/2 per cent per annum, payable semi annually, and redeemable at the pleasure of the United States after one year from date of issue, both principal and interest payable 20 years from such date in United States gold coin. Such exchange may be made under date of January 1 and July 1 of each year, provided such bonds are then available.

A depositor desiring to convert his savings deposits into bonds on January 1 and July 1 of any year must make application at least 15 days before either of the dates named to the postmaster in triplicate on a form supplied him for that purpose. At the time of making application he must endorse and surrender savings certificates covering the amount of the bonds desired, for which the postmaster will give him a receipt. Interest will continue to accrue on certificates surrendered till the date on which the bonds are issued. When the bonds applied for are received by the postmaster, the depositor will be notified and the bonds will be delivered by the postmaster on presentation of the receipt for the certificates surrendered. At the same time all interest due on the cer-

36. Postal savings bonds are exempt from all taxes or duties of the United States, as well as from taxation in any form by or under state, municipal, or local authority.

37. Postal savings bonds can only be secured by the conversion of postal savings deposits, and will not be issued to persons who are not depositors, but whether in registered or coupon form they may, upon receipt by the depositor, be sold and assigned at any time to any person desired.
