

# The Isis THEATRE

"Jaures, Mexico (After Battle)" ..... Kalem  
The first motion picture ever made of a besieged city directly after battle. Scenes of the poorly clad insurrecto army in true life, together with scenes of historical interest to both young and old.

"Her Sacrifice" ..... Biograph  
Picturing a young woman's sacrifice to satisfy the pleadings of a selfish mother, whose only love was for her son.

"Range Pals" ..... Selig  
Like the story of Damon and Pythias of old, there existed between the two men a friendship absolutely devoid of selfishness and the story is beautifully portrayed by the Selig company.

Song—"In Summer Time" sung by

Matinees ..... Miss Garrick  
Evenings ..... Geo. Birnie

## PERT PARAGRAPHS.

Being comfortable is the specialty of some persons and making them so is the specialty of others.  
Keeping up appearances is such a strain that the appearances soon become deceptive.

Any man can smoke off his ill temper if his tobacco is good, but what is a woman to do?

Putting up excuses isn't always profitable, for sometimes they don't keep well.

A good dinner is desirable, but a poor one is often necessary.

Even when a nightmare is driven away it is sometimes found that she left a lot of little colts behind her.

We never know what's coming next, for if we did it probably wouldn't be coming.

The early bird gets the first chances and generally manages to use it so that he gets all the others as well.

A dark past is no promise of a brilliant future despite the law of averages.

It is always easy to please the man with an ax to be ground.

## THE REASON.

INTO my smiling rosebud mouth  
The smiling barber ditty hooks  
He blazes and pulls it awry  
To get the whiskers in the crooks  
At either corner, and he asks  
And gives my head a scratch or two:  
"Your head is very dirty, Don't  
You think you need a nice shampoo?"  
Then he says, "You need a massage."  
But I insist that I do not.  
And then he blisters my poor face  
Within a towel reeking hot;  
Then he insists I ought to have  
A mess of tonic on my hair.  
And that is why I hate to sit  
Me in a barber's easy chair.  
And all the while the barber breathes  
His onion breath into my face  
And hooks his finger 'neath my lip  
And drags my mouth all out of place  
A bootblack fumbles at my feet  
And begs and begs me, with a whine,  
To loosen up and come across  
And let him give my shoes a shine.  
Because I do not want a shine,  
Because I hate the barber's hooks,  
Because I want no shampoo and  
Because my face the barber crooks,  
Because I care for no massage  
And want no tonic rubbed in me,  
I hate to do it, but am forced.  
To use a safety razor. See?  
—Houston Post.

His Idea of the Show.  
"What do you think of the plot?"  
asked the theater manager  
"That isn't a plot," replied the man  
who had paid \$2 to see the show  
"That's a conspiracy."—Washington Star.

Another Quibble.  
"Don't you hate to sleep in an upper berth?"  
"No; I like to sleep when I have to  
take an upper berth."—Chicago Record-Herald
