

**Friendly Brazil.**

Brazil is cultivating the good will of this country. Dr. Eugenio Dahne, special commissioner from Brazil, recently wrote to Acting Director-General Sefton in part as follows:

"Brazil desires to take a leading part amongst the foreign nations that will be represented at the Panama-California exposition and will grudge no expense to make an interesting and imposing show at the same time. And by right of having been the first on the ground of foreign nations, I claim the privilege of priority in the choice of the best site and largest space for Brazil's exhibit."
