The Isis THEATRE

Keep your eye on this "Ad."

"Khmara" ..... Pathe

A beautiful daughter of Russian peasants is beloved by one of her own station in life. Superstition and intrigue to prevent their happy union are of no avail when the lover appeals to a powerful prince. It is powerfully dramatic.

"A mexican Rose Garden"... .....Kalem

An entrancing story of sunny Mexico's flower gardens, and the two principal charatcers are more than ordinarily put to the test.

"Teaching McFadden to Waltz" ..... Vitagraph

Here it is again. Vitagraph comedy with our old friend Bridget, McFadden as Romeo and his wife as Juliet at a masquerade ball. It is great. We say it's good. You'll see.

Illustrated Song: "By the Light of the Silvery Moon."

New version, sung by

MEN COMPUTE PRUNE AREA

REPRESENTATIVES OF O. A. C. COMPLETE TOUR HERE.

Careful Data Secured Regarding the Prune Industry in This Valley.

A complete survey of the prune crops and all related questions pertaining to acreage, productiveness, and similar questions, has been all but completed in this valley by F. R. Brown and George Rieben, representatives of O. A. C. Mr. Brown has, with the assistance of Mr. Rieben, been to all the various localities of the valley and has acumulated data which will be used later on in striking averages and completing tables touching all sections of the state of Oregon. Conditions of the soil and various other subjects are also compiled in data form, and will become interesting tables when the totals are footed up. The La Grande Investment company took the experts over the Imbler district today, completing the last big lap for the visitors.

Mr. Brown would not announce any of his figures relative to the extent of the prune industry here, asserting it would be all forthcoming in a subsequent report. Cove and Union orchards have been visited earlier in the week.

MOROCCAN SITUATION CRAMPED.

Public Sentiment in France Not in Accord With Official Dictum.

Paris, Aug. 24.—Grave anxiety over the Moroccan dispute with Germany is apparent today. There is a strong probability the present administration will be forced from office when the reply to German demands is published. It is said will state she is determined to stand firmly with Great Britain and Russia as to its claims in Morocco but is willing to concede to Germany certain rights in the Congo in exchange for German consent to the establishment of a French protectorate in Morocco. It is generally feared that public sentiment will oppose any concessions to Germany.

THREE CRUELLY MURDERED.

Man, Wife and Son Butchered by a Near Relative Is Belief.

Evansville, Ind., Aug. 24.—Samuel Lee, his wife and a 16-year-old son were found shot and their heads split open with an axe, and the bodies almost cremated when the firemen responded to a fire al rainmETAOIN sponded to a fire alarm in the Lee Lee, aged 21, was arrested charged with the triple murder. He said his father recently acquired considerable money through the sale of the property and he also said he tried to rescue the family but finally barely escaped with his life.

MISSING PICTURE A FAKE.

Original "Mona Lisa" Said to Be in America Now.

Paris, Aug. 22.—The "Cri De Paris" says the famous painting, "Mona Lisa" which recently disappeared from the Louvre, was really stolen in June, 1910, and that the one taken the other day was a substitute placed there by the thieves. The publication says the picture is now in the collection of a "millionaire Jew" in New York. Nevertheless the search continues today.

Reward for Missing Socialist.

Los Angeles, Aug. 24.—A reward of $500 was offered today by Fred Warren and Eugene Debs, editors of the Appeal to Reason for information that will lead to the whereabouts of Geo. Shoaf, a socialist writer who has disappeared here. It is said that the reward will be increased.

Wheat Buyers Fight.

Portland, Aug. 24.—A local paper said last night. A fight between millers has added 1½ cents a bushel to the price of wheat in the Portland market recently and the situation much resembles that of a few years ago when spirited competition for the control of the market sent prices fully 10 cents a bushel higher than the grain would bring elsewhere. Club wheat is now selling at 79½ cents per bushel.

Grain buyers are not giving out any details of the evidences of rivalry between milling interests, but it is generally given out that the fight is being conducted between various Pacific northwest milling companies on one side and Balfour, Guthrie & company on the other.

Recently the latter firm established a flouring mill at Portland and, it is stated, cut the price of patent flour under the quotations of other leading millers. This is said to have aroused other millers of the Pacific northwest and a fight similar to that waged against the Fisher Milling company at Seattle last season, is now coming to the surface here.

Eleanor Haber Signs in "The Barrier"

Four years ago in New York City Mr. Shipman selected Miss Haber from a long line of applicants to succeed Mary Manering in "The Walls of Jericho," for the tour of the eastern cities. Simultaneously he contracted with Effie Shannon to play the same role in conjunction with Kelcey for the western company.

The vivacious part of "Nocia" in Rex Beach's charming drama of Alaskan life "The Barrier" is ideally suited to an actress of Haber's temperament.

Miss Haber's many friends and admirers, who have delight in the work in "The Man of the Hour" and other New York successes will appreciate her interpretation of the Rex Beach heroine.

The splendid financial and artistic success of The Barrier Company last season, permits the management to go far afield in getting together an excellent cast.

The coming tour opens at Reno, Nevada, on Labor Day, visiting in succession Salt Lake, Denver and the other important western cities and towns, thence for a tour of the Pacific coast.

This will be the No. 1 company, under the stage direction of Norval McGregor, who is especially engaged to interpret the role of "John Galo," the squaw man in "The Barrier."

Legislation in Australia.

Sydney, N. S. W., Aug. 24.—The session of the federal parliament which has been called to assemble next week promises to be one of the most important in the history of the commonwealth. Though no proposals for the amendment of the constitution are included in the program, many measures of far-reaching importance are to be brought up for consideration and action. The government will introduce a commonwealth bank bill, also measures unifying Australian bankruptcy law, amending the present arbitration and electoral acts, and providing for the government of the northern territory and the construction of a tanscontinental railway to traverse the continent from east to west.
