WOODARD IN LAW'S TOILS

BAKER MAN CHARGED WITH SERIOUS CRIME.

Is Being Held Under Bonds Pending Development of Victim's Case.

(Baker Herald.) An information charging Mike Woodard of the Fawn saloon with statutory assault, was filed this afternoon by District Attorney W. S. Levens and the defendant was placed under arrest and bonds.

The complainant and victim is Mrs. J. H. Orr, who lies at St. Elizabeth's hospital at the point of death. According to the story told by her to the officers Woodard is to blame for her condition.

Mrs. Orr's story is to the effect that she was taken to Woodard's home by John Caviness, a hack driver, in order to wait for a train early yesterday morning. She had attempted to get a room at the Lyndale. Mrs. Orr says, and the driver volunteered to take her to Woodard's when he found no room there.

"Any place but Mike Woodard's," Mr. Orr declares he said.

"Well, I can get you a room at a private house," is the answer the hack driver is said to have made.

Mr. Orr left his wife in the hack in order to look after some round pups he owns. The hack driver is said to have taken the woman to Woodard's.

It was there according to the story told by the woman, that the assault occurred. Woodard's rough treatment of Mrs. Orr was such as to leave her in a serious condition. She was taken to St. Elizabeth's hospital.

Today her condition is such that it is not known whether she will recover.

Woodard is being held under bonds to await the final outcome of the case.

MANY TOWNS SEEKING RATES

ALL OF EASTERN OREGON TO COMBINE IN FIGHT.

Better Rate Facilities War Commenced at Baker—La Grande to Aid.

(Baker Herald.) At a meeting of the board of directors of the Commercial club this afternoon a movement to combine eastern Oregon in the battle to secure equitable rates on the railroads will be launched. Members of the transportation committee at a previous meeting decided that it would be wiser to ask the railroad commission to postpone the hearing for September 29 until a later date as would give eastern Oregon an opportunity to gather data and evidence and make a strong case.

It is expected that Medford, which is leading the fight in the western part of the state for better and more equitable freight rates as Baker is in the eastern part, will co-operate in this movement to have the hearing delayed.

It will also be decided to send a representative from the local club to visit La Grande and Pendleton and secure the co-operation of the commercial clubs of those two cities in the fight for lower rates. This will in all probability result in the formation of a traffic league or similar organization for Eastern Oregon to stand guard over the interests of this part of the state in the matter of freight rates.

The action of the commission in calling these hearings is the result of the campaign that Baker launched some time ago. Medford is following this up and has called a convention of shippers of the entire state to take place at Salem some time in September.

It is the plan for the three Eastern Oregon cities to employ a rate expert and to make a complete and exhaustive investigation into the whole rate situation so that when the hearing is called by the railroad commis-

Preparations to reinstall the telephones has been announced by the company officials at La Grande.

Many Shows Will Have to Suspend Because of New Law.

New York, Sept. 1.—Becoming effective today the recent act of the legislature prohibiting representation of the Diety on any stage, is expected to interfere with the presentation of many plays.
