WATSON WAS HIS FIREMAN

ENGINEER OF 42 YEARS SERVICE VISITS JACK WATSON.

Used to Run on the Old Vandalla Line Long Time Ago.

One of the most pleasant visits of this season was that of W. M. Crusen and wife, who are here from the east to spend a few days with Jack Watson and family. Mr. Crusen ran an engine 34 years ago on the old Vandalla line into Saint Louis and Jack Watson, now of La Grande, was his fireman. They worked together for some time and as a result a lifelong friendship sprang up. Having not seen each other for many years the present visit is one of extreme interest to both.

Mr. Crusen served 42 years on an engine when finally age incapacitated him for activity and he was put at the head of the retired list and given a medal for honorable service which is very pretty indeed.

In speaking of Mr. Crusen Mr. Watson said: "Don't you know its does one's soul good to visit with the boys of olden times; to review again the narrow escapes, the location of friends and last to count the boys who have passed over the great divide since we were all young and full of energy back there on the eastern and middle states lines. Crusen and myself were tillcum long before the western country came into its own in railroad circles. I came west and he stayed in the middle country. Neither of us have any complaint to make for the world has ben good to us just as it is good to everyone who tries to get on. But, you know, when an old veteran of railroad work shows up after years of separation and we see that he is growing considerably older it makes us realize that time is fleeting even over our own heads. In the west age falls to fasten us so quickly but it is one of the sure thing games that cannot be avoided."

DEMOCRATIC LEADER DOOMED TO OVERTHROW.

His Downfall Sought and Aimed at in Meeting in Chicago Today.

Chicago, Ill., Sept. 7.—The undoing of Roger C. Sullivan, the Illinois member of the democratic national committee and for many years the acknowledged master of the party in this state, is the object sought by a number of more or less prominent democratic leaders throughout the state, who assembled at the hotel La Salle today to discuss a plan of campaign. The conference was called by the State Progressive democracy, an organization which seeks the support of all democrats who, in the language of the official call, "are disgusted with the trend of their party affairs and the bipartisan affiliation which culminated in the election of William Lorimer as United States senator from Illinois." Mayor Carter Harrison is said to be at the head of the movement. Following the preliminary conference today it is proposed to hold a great rally of progressive democrats at the state fair at Springfield next month.

Boy Wrecked Train.

Fremont, Wis., Sept. 7.—Leonard Lake, the 15-year-old son of a farmer living near here who was arrested late yesterday charged with tampering with the switch which resulted in the wreck of the Soo line passenger train when three persons were killed, is said to have confessed. The authorities said the boy declared he wrecked the train to "get even" with a section foreman for a slight wrong.

Dandruff germs are obstructionists; they prevent the hair from receiving its proper nourishment by ravenously devouring the same nourishment. Use PARISIAN SAGE for one week and note the wonderful improvement. Newlin Drug company guarantees it, 50 cents a bottle.
