

No Need to Stop Work.

When your doctors orders you to stop work, it stager you. "I can't," you say. You know you are weak, run down and falling in health, day by day, but you must work as long as you can stand. What you need is Electric Bitters to give tone, strength and vigor to your system, to prevent breakdown and build you up. Don't

be weak, sickly or ailing when Electric Bitters will benefit you from the first dose. Thousands bless them for their glorious health and strength. Try them. Every bottle is guaranteed to satisfy. Only 50c at all druggists. God & wklly

NOTICE TO CONTRACTORS

Notice is hereby given that sealed bids will be received at the office of the undersigned, for the construction of approximately 125 lineal feet of cement walk, 7 feet in width, to be constructed on the south side of L avenue, in front of the court house, from the center of the block to Sixth street. All bids must be filed in this office before 5 o'clock p. m. September 15th, 1911. Certified check for five per cent of amount bid must accompany all bids. The council reserves the right to reject any and all bids.

By order of the street committee, September 6th, 1911.

C. M. HUMPHREYS, City Recorder.

PREJUDICE against SPECTACLES

Many people are prejudiced against wearing spectacles because of some foolish notion or hearsay. Spectacles are essential to the relief of eye troubles and nothing will take their place. If there is trouble with your eyes the sensible thing to do is to consult an eye specialist. I am a specialist in the treatment of eye troubles, and invite investigation as to my SUPERIOR EQUIPMENT and ability to relieve all eye troubles. You may save yourself much discomfort by consulting me at once. I grind all my glasses.

MOTOR CARS IN GRANDE RONDE

NEW CENTRAL CARS READY FOR SERVICE HERE.

Union News Items Culled From Union Publications.

(Union Republican.) The steam motor car and the combination passenger, mail and express car ordered by the Central railroad some time ago, arrived Saturday. The motor was taken to La Grande for some needed repairs while the car was brought up to Union. It is thought that these cars will be in use soon from Union to Hot Lake.

The Catherine Water Case.

The case between the Amalgamated Sugar company and the users of water from Catherine creek, is moving along and is attracting much interest. Attorney Cochran was over from La Grande last week, fixing up a reply to the allegations of the plaintiff in the case, and in this work he is associated with B. F. Wilson of Union. The users of water along Catherine are united on the proposition and the case will probably go to the highest court.

Wilson Hotel Closed.

By the taking out of a liquor license this week by Powers & Wilson, the Wilson hotel stand will be occupied by a saloon as soon as the transfer can be made. In the meantime the Wilson hotel will take no more boarders, but the rooms will be kept over the saloon. Power & Wilson expect to open the saloon about a week from Saturday. The license money amounting to \$500 for six months, having been paid in Saturday night with application for license.

Following is a list of teachers of the Union schools for the ensuing year:

North building—Mrs. Webb, principal and fourth grade. Miss Harter, third grade. Miss Davison, first primary. Miss Schelling, second grade.

South building—Miss Wright, principal and sixth grade. Miss Gillilan, fifth grade. Miss Winters, third grade. Miss Finley, second grade. Miss Ryan, first primary.

High school building—Mr. Bradshaw, principal and mathematics. Mr. Gore, science (chemistry, physics and agriculture). Mr. Le Duc, manual training. Miss Davidson, English and Latin. Miss Inlay, domestic science. Mr. Erland, eighth grade. Miss Adams, seventh grade. A. J. Olson, superintendent and modern languages, commercial, etc.

Home Again.

(Union Scout.) Mrs. Cora Davis arrived home on Thursday morning from her trip east. Mrs. Davis returns covered with all the honors that she could desire and the community in which she lives is justly proud of her achievement. Let no narrow jealousies prevent one and all from joining in the reception which will soon be given in her honor.

Accidental Shooting.

Tom Carter, a nephew of Frank Hall, was severely injured by the accidental discharge of a pistol Sunday. The accident occurred at the stall farm on Catherine creek and was the result of fooling with a gun. Whether the boy knew the gun was loaded or not made no difference as it brought forth the usual results. The pistol went off when it was least expected, the bullet passing through Carter's left hand and entering his left leg about three inches above the knee. The ball was imbedded in the flesh when found, just at the edge of the knee cap. Geo. Baird went after the lad and brought him to town in his auto, where Dr. Myers probed for the bullet and removed it with little difficulty. At present Carter is getting along nicely and no fears are entertained as to very serious results.

RULES IN BETTER SHAPE

(Continued from Page Three)

opponents until the ball has been touched by a player of either side beyond the line of scrimmage, except—

I. As bona fide interference in an attempt to advance the ball by a rush.

II. In an actual attempt to catch a forward pass. (See section 2.)

III. After they have advanced 20 yards beyond the scrimmage line, in which they may use their hands or arms to push opponents out of the way in order to get the ball or the man carrying it.

Note.—A player shall not be considered as having crossed the line of scrimmage until he has actually got by opponents who are on the defensive line of scrimmage.

Penalty.—Same as stated under section 2 above. Part I.

Section 4. Players of the side which did not put the ball in play shall not in any way interfere with their opponents after they (opponents) have crossed the line of scrimmage until the ball has been touched by a player of either side beyond the line of scrimmage, except—

I. In a bona fide attempt to get at the man carrying the ball.

II. In an actual attempt to catch

a forward pass. (See Section 2.)

III. In case of a kick, after their opponents have advanced 20 yards beyond the line of scrimmage, in which case they may use their hands or arms to push opponents out of the way in order to get at the ball, or their arms close to their bodies, in order to obstruct an opponent from getting at a player carrying it.

Penalty.—Same as under Section 2, part II.

Note.—Another way to express Rule XVIII, Sections 3 and 4, follows:

Section 3.—I. If the side in possession of the ball kicks, no players of said side who have crossed the line of scrimmage, shall in any manner interfere with an opponent until they (offensive side) have advanced 20 yards beyond the line of scrimmage.

II. If the side in possession of the ball makes a forward pass no players of said side who have crossed the line of scrimmage shall in any manner interfere with an opponent until the ball is touched, except in an actual attempt to catch said pass themselves.

III. If the side in possession of the ball attempts to advance the ball by rushing, the restriction (in I and II) above do not govern.

Section 4.—I. If the side in possession of the ball kicks, no players of the side not in possession of the ball shall in any manner interfere with their opponents who have crossed the line of scrimmage until said opponents have advanced 20 yards beyond the line of scrimmage.

II. If the side in possession of the ball makes a forward pass no players of the side not in possession of the ball shall in any manner interfere with their opponents who have crossed the line of scrimmage until the ball is touched, except in an actual attempt to catch the ball themselves.

III. If the side in possession of the ball attempts to advance the ball by rushing, the restrictions (in I and II) above shall not be interpreted in such a way as to prohibit the defensive back field from using their hands on their opponents' bodies in a bona fide attempt to get at the man with the ball.

J. J. Batey, a track team coach, who developed Fiser, the greatest all around athlete of Oregon, and put Ontario, Ore., to the very forefront as an athletic school, and Roy Conklin, the premier Cove trainer, will both be located at Wallowa this year and the school will be well supplied with a coaching staff. Mr. Batey passed through the city this morning on his way to Wallowa and that town will be heard from in an athletic way from now on.

Next week preparations for football in the local high school will again be under way. It is hoped that some of the new instructors coming will be sufficiently versed in new football to take charge of the squad with profitable success.

Charles (Chuch) Reynolds leaves in a few days for O. A. C. where he will attempt to land the quarterback job for the third consecutive season. He is luck.

Will Nell who left yesterday for the University of Oregon is generally touted as being in line for the profitable job of representing the Pacific coast in the Olympic games at Stockholm, Sweden, at the next big athletic meet. He is conceded to be the peer among tossers of the javelin on the Pacific coast, and his many friends here trust that he will be "able to cut the mustard" when the time comes. Unless his arm goes back on him there is no known reason why he should not gain the much-coveted honor.

NOTICE TO CONTRACTORS

Notice is hereby given that sealed bids will be received for the construction of approximately 400 lineal feet of five foot cement sidewalk on Monroe avenue, bids to be filed with the city recorder before 5 o'clock p. m. September 15th, 1911. The council reserves the right to reject any and all bids. Certified check of 5 per cent of

the amount bid must accompany all bids.

By order of the city council, September 6th, 1911.

C. M. HUMPHREYS, City Recorder.
