NEWS FROM LADD CANYON

DOINGS OF THE PEOPLE IN THAT SECTION OF COUNTRY.

General Prosperity Abounds in the Canyon This Fall.

Ladd Canyon, Sept. 18.—(Special)—School commenced here today with Mr. Perryman as teacher. Mr. Perryman just closed a very successful term of school up at Long Prairie and was immediately succeeded by Miss Lulu Counsell of this neighborhood.

Ben Conaway lost a black horse yesterday which he paid two hundred dollars for last spring. The animal caught his shoe over a barbed wire fence while rolling, which twisted his leg in the right attitude to shatter the bone. Dr. Riley was summoned from La Grande but it was deemed necessary to kill the animal.

Mrs. Retta Allen, who taught school here last term, visited from Thursday until Sunday here at the E. T. Peebler home. While out this way she drove over to Grange hall and attended the educational program which was held there last Saturday. She will open a term of school at the Pleasant Grove school house, near Summerville the first of next month.

Those who went to the Roundup at Pendleton from here were: Mr. and Mrs. Sam Braden, James McClure, F. Braden, Roy Peebler, Harley McClure, Phil Krouse, Henry Peebler, Neil McClure, Charles Grandy, Adolph Peebler and Frank McClure.

Perhaps the largest barn in Union county is now under construction. The barn is about a half mile from Hot Lake and is owned by W. J. Townley, of Union. It is nearing completion and it is reported that a big dance will be held in it as soon as it is finished.

Adolph Peebler has his new house completed entirely now and is busily engaged in painting it.

What might have resulted in a big forest fire on the mountain southwest of here was extinguished in the nick of time by Lou Rogers a few days ago. Mr. Rogers had been up in the Peebler Bros. timber constructing watering troughs for them and returned home in the evening supposing he had put the fire out which he had used to help burn the troughs out. On seeing a smoke up there he rushed back discovering that his troughs had been burned up but after a night and day of almost constant fighting the fire was extinguished before very much of the timber was destroyed.

Mrs. Eula Dougherty arrived here yesterday from her home at Enterprise to visit until the first of the month with her parents, Mr. and Mrs. Dick Peebler.

Few, if any, medicines have met with the uniform success that has attended the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. The remarkable cures of colic and diarrhoea which it has effected in almost every neighborhood have given it a wide reputation. For sale by all dealers. eod
