TOTS TO GET FINE PRIZES

BABY SHOW TOMORROW TO BE WELL ATTENDED.

Judges Selected to Conduct Big Baby Show Details Tomorrow Afternoon

Pretty little babies will have the time of their lives tomorrow afternoon. The event is the annual baby show in connection with the county fair and Mrs. A. L. Richardson, who has worked up the interest in the affair reports that the attendance will be large. The drawing for prizes occurs at 3 o'clock and all children should be at the stand at that hour. The judges have been selected and assure an impartial selection of the prettiest baby on exhibit.

Prizes Exceptionally Fine.

Three prizes to be drawn for and awarded, are now on exhibition at the various jewelry stores and are attracting much attention. The luckiest baby under one year will receive a solid gold necklace, with the locket set with a diamond. This is on exhibit at the Love jewelry store. For the luckiest baby under two years and over one the prize will be awarded by drawing and consists of a solid silver set of knife, fork and spoon. This is on exhibit at the Seigrist store.

The prettiest baby of all, to be chosen by the eye of the judges, will be given a solid silver mug and it is on display at the Peare window.

With such excellent prizes on for awards, and a great deal of interest manifest, there is every reason to believe that the baby show will be "a hummer," as the slang puts it. Then, too, Governor Oswald West will make a little speech to the babies and will personally superintend the awarding of prizes after they are drawn. Mrs. Richardson should be notified by parents who wish to enter in the contest for the prizes at once, so that arrangement for comfortable seating for all can be made. There will be room enough for every one and there will be no crowding or inconvenience for mothers.

The judges, as announced today are Walter M. Pierce, Dr. J. D. Gillian and Dr. W. S. Seemann, with Governor West as presiding "officer."

A photographer will be on the scene and take pictures of the babies of which there will be at least 100 according to registration already made with Mrs. Richardson.

CARLOCK STUDIO OPENS

EXPONENT OF GERMAN SCHOOL OF PIANO PLAYING.

Third Year of Successful Work is Marked by Opening of Studio.

This week announces the opening of the music studio of Mrs. Erla Carlock, who enters this fall upon her third year of musical work in La Grande. Mrs. Carlock scarcely needs an introduction to the La Grande public. Her work as a piano teacher of earnest endeavor and high ideals, as well as her ability as an artistic soloist has become well known throughout the city and stands as its own endorsement. Mrs. Carlock is an exponent of the German school of piano playing and she has been trained by some of the finest teachers on the Pacific coast particularly Pierre Douillet of San Jose, California, and Chas. Dierke of Portland.

Her class enrollment is already large and those desiring lesson periods should make early application. Mrs. Carlock maintains a well equipped studio in the Mahafey building on Depot street.
