SPECIAL TRAIN ON THURSDAY

WALLOWA COUNTY FAIR INVITES UNION BRETHREN.

Special Attractions for That Day Intended to Be Superb.

(By A. C. Miller, Enterprise.)
Thursday next, October 5th, has been designated by the management of the Wallowa county fair, "Union County Day." A special train has been chartered by the fair association for that day, for the accommodation of those in Union county who desire to pay a fraternal visit. In honor of the day the stores and schools in Joseph, Wallowa and Lostine will be closed and everybody from those cities will be at the fair.

The program on that day will be particularly attractive and enjoyable, a horse packing contest in which are entered a number of Wallowa county's most famous packers, and many other attractive features.

Wallowa county is a great and prosperous empire. It is growing and developing at a rate beyond the conception of those not in close touch with it. The live stock, the products of the fields, the orchards and the gardens, the resources that are rapidly making Wallowa one of the great counties of the state will be shown in a profusion and of a quality that will seem marvelous in the eyes of strangers.

Either the amusement program or the fair without the amusement program will well repay the time and expense involved in making the trip.

On behalf, therefore, of the Wallowa County Fair association, the people of Enterprise and the people of Wallowa county, I extend to the people of La Grande and of Union county, a cordial invitation to visit us and attend our fair.

And may I not suggest, particularly to the business men of La Grande, that

WEST STORE ROBBED AGAIN

BURGLAR GAINS AN ENTRANCE THROUGH THE BASEMENT.

Unlike Precursor Who Came From Skylight, Thief Makes Getaway.

N. K. West's store was entered and robbed of some money, though not a large amount, some clothing and a gun last Saturday night.

This discovery was made this morning and it was also found that the thief had entered the store from the basement. Only recently a thief entered the same store from the roof, and this man evidently preferred to come up rather than go down. The police have but little to work with and it is doubtful if the burglar will be captured as was the man who came down from above to rob and steal.

this is a golden opportunity to meet and get acquainted with all the people of Wallowa county, and so encourage and cement the friendly relations which should exist between a metropolis and its trade territory.

Not a Word of Scandal marred the call of a neighbor on Mrs. W. P. Spangh, of Manville, Wyo., who said: shee told me Dr. King's New Life Pills had cured her of obstinate kidney trouble, and made her feel like a new woman." Easy but sure remedy for stomach, liver and kidney troubles. Only 25c at all druggists. eod & wkly

An article that has real merit should in time become popular. That such is the case with Chamberlain's Cough Remedy has been attested by many dealers. Here is one of them. H. W. Hendrickson, Ohio Falls, Ind., writes, "Chamberlain's Cough Remedy is the best for coughs, colds and croup and is my best seller." For sale by all dealers. eod
