DEMOCRATS AT BIG ROUNDUP

HEARST - HARRISON FACTION TRIM LIGHTNING BODS.

Springfield Scene of Big Meeting of Illinois Democrats Tomorrow.

Springfield, Ill., Oct. 3.—Page after page of the Springfield hotel registers are filled today with the names of prominent democrats from all over Illinois and unless present signs are misleading the state conference called for tomorrow will be attended by representatives of every county from Chicago to Cairo. Mayor Carter M. Harrison of Chicago, accompanied by several hundred members of the Cook County democracy, opened headquarters at the St. Nicholas hotel today. Mayor Harrison's co-workers flying the Hearst banner are quartered at the New Leland.

The feature of the gathering will be the big demonstration in Arlon Hall, with speeches by a number of the party leaders. The oratory, however, will not be permitted to interfere with the real business of the round-up, which will be to complete the state organization of progressive democrats launched at the Chicago conference last month. This organization will not confine its activities to state politics. On the contrary, its chief aim will be to capture the control of the democratic organization in Illinois for the Hearst-Harrison faction and to oust Roger C. Sullivan from his position as the Illinois representative on the democratic national committee.

BUY LOTS TO BUILD

CORNER MAIN AND CEDAR TO GET BUILDING.

Lots Filled in Now in Good Building Condition—May Build More.

Negotiations that spell one more new residence this fall and probably two more next spring, were closed last night when L. M. Hoyt purchased three lots at the corner of Main and Cedar from A. C. Huntington. These three lots were nothing more nor less than a hole in the ground six months ago, but during the paving season the dig-out was filled in and now the lots are level and attractive. The corner lot faces on Cedar while the other two will be swung around to give two good building locations on Main. This corner is the first west after First street.

Mr. Hoyt will build a home at once for his own use and will either sell the other lots or build on them at his convenience. There is already one new house under construction on that block, the one being built by Dr. W. D. McMillan.

FANS WITNESS THREE BOUTS

MAIN EVENT SLOW BUT NOT UNCLEAR.

Entire Card Conducted on Civil Plan and Rowdiness Is Missing.

Bob Lyman waded in and fought Kid Exposito at close range in the ninth and 10th round of their 10-round no decision go last night in such a way as to save himself from the decisive defeat that comes with popular opinion. The kid and he went at it slowly and not until the sixth, and then again in the ninth and tenth did either men get up much steam. It was a tame affair at the best, however, from a prize-fighting standpoint. If the audience could appreciate boxing skill they would see flashes of speed and cleverness that would please the most fastidious but at no time did the mill assume any scruelling scrap proportions.

Looking at it from a straight up prize fight standpoint Exposito had it on Lyman much of the time, but Lyman is the best sparrer of the two. Exposito was the aggressor, though not very aggressive at that, and had the hardest wallop; Lyman considerably lighter in weight, pranced away from tight places and ducked and sparred without any punishment and from a standpoint of sparring was the superior of the two. There you are and while the mill never grew heated it was not "rotten." Pick the winner.

The card stands out head and shoulders over performances of the kind during the past five years. At no time was there anything obscene and ladies would have been entertained—even more so than the men who come to see the gory stuff frequently.

Preliminary Good.

Kid Weston, whose real name is E. S. Drake, and who is a wrestler of considerable renown, and Young Flagg, a Hot Lake youngster, gave a smacking of real scrapping in a three-round go that introduced the card for the evening. The men mixed it from the jump and made a fine little presentation that came as near being interesting as any main event of recent years. Flagg is much the smaller but is an aggressive fellow and with a jab to the stomach and an overhanded drive to the face, kept Weston squinting. Weston, however, is anxious to grapple with any 138 pounder in this territory. That is his long suit, even though he did show a leaning toward the buckskin mittens.

Two brothers named Morris went three rounds too, but inclined toward slow heavy fighting. It lacked the vim and pep of the first preliminary J. Morrissey, a Portland youth who is on his way to Baker to take on a boxer there, refereed the preliminaries and stayed in the ring with the main event until he saw that a third person was entirely superfluous. Morrissey has a ring history and looks as though he might put up a good scrap anywhere.

HER HAIR GREW.

That's Why a Thankful Woman Recommends Parisian Sage.

The Newlin Drug company will sell you a fifty cent bottle of PARISIAN SAGE and guarantee it to banish dandruff, stop falling hair and itching scalp, or money back. It's a delightful hair dressing that makes hair lustrous and fascinating.

"In the spring I was recovering from a severe case of erysipelas, which left me virtually bald on the front of my head and next to my ears. The hair kept coming out rapidly and nothing I used stopped my getting entirely bald, until I used two bottles of PARISIAN SAGE. This tonic made my hair start to grow in and, in fact, grew me a good fair amount of hair, and it has entirely stopped my hair falling out.

It is with pleasure that I give a public recommendation to PARISIAN SAGE, which I know is a wonder." Mrs. Ella Gilchrist, W. Pitt St., Bedford, Pa.

If you knew of the real value of Chamberlain's Liniment for lame back soreness of the muscles, sprains and rheumatic pains, you would never wish to be without it. For sale by all dealers.

Office Supplies

Our stock of office supplies, blank books, typewriting paper, carbon papers, filing cases, pens, ink stands, etc., is complete. Call us up when in need of anything in this line.
