WHY CATCHERS SLOW UP.

Constant Stopping Hardens Muscles of Legs and Interferes With Running.

Why do catchers slow up after several seasons' service in the big league? asks a fan. A logical reason is given. It follows: "Few catchers are fast on their feet after they have been in the game a few years, and this falling is attributed to the fact that the man behind the bat does a lot of stooping and thus hardens the muscles of his legs in such a way as to interfere with his running. Now and then a young catcher breaks in who can step around the bags at a good clip, but as a rule he loses his speed after a short time and becomes slow. Today there are few catchers who have speed on the bases. Al Smith is perhaps the best runner of any of the catchers in the major leagues, and Eddie has not been in the game long enough to slow up."

RAISING BEE TOMORROW

WOODMEN OF AMERICA TO BUILD RESIDENCE IN A DAY.

Big Crew of Lodgmen to Construct Residence Tomorrow.

An old-fashioned raising bee is slated for tomorrow at 1 o'clock when all modern Woodmen of America who can drive a nail or wield a saw are to meet at the Woodman hall and go in a body to North La Grande where the home of R. C. McClain, a Woodman, will be completed. It is expected that a crew of 50 carpenters, of the amateur sort, will complete the home. Mr. McClain has had sickness in his home all summer and is now only able to leave his bed, himself, and as winter is coming on and carpenters are busy the fellow Woodmen concluded to hold an old-fashioned bee. The Woodmen will meet at the hall and a carryall will take them to the scene of action. A hammer or saw is all the "weapons" needed. Those who can not go at 1 o'clock are asked to appear at the McClain home near the stockyards as soon as possible during the afternoon.

BOISE TRIP CALLED OFF

BOISE ELKS CAN'T RECEIVE LOCALS THIS YEAR.

Definite Word Received From Idaho Capital to That Effect Today.

The trip to Boise that the La Grande Elks had been looking forward to has been indefinitely called off and there will be no trip this year. This is the word received by Manager F. C. Bramwell today. It was planned for some time to go to Boise at once, but word from there states that the grounds cannot be secured and the Boise Elks will be unable to give a return game in retaliation for the one here last summer, until next spring.

Many Elks are disappointed for the trip was looked forward to with a great deal of interest.

THE BEST PROOF.

La Grande Citizens Cannot Doubt It. Doan's Kidney Pills were used—they cured.

The story was told to La Grande residents.

Time has strengthened the evidence. Has proven the cure permanent. The testimony is from this locality. The proof convincing.

James M. Johnson, Main St., Union, Oregon, says: "I recommend Doan's Kidney Pills, knowing from personal experience that they can be relied upon to bring relief from backache. Constant standing weakened my kidneys and caused soreness across them. My back was painful and I was very anxious to get relief. Being advised to take Doan's Kidney Pills, I did so. Before I had used them long, I was convinced that they were a good kidney medicine, as I received great relief. I am glad to tell of my experience." (Statement given in November, 1907.)

Confirmed Proof.

On May 23, 1910, Mr. Johnson said: "I gladly confirm my former endorsement of Doan's Kidney Pills and again say that they are the best kidney medicine to be had. On several occasions during the past three years, I have taken this preparation with the best results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Few, if any, medicines, have met with the uniform success that has attended the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. The remarkable cures of colic and diarrhoea which it has effected in almost every neighborhood have given it a wide reputation. For sale by all dealers.
