## ENTERPRISE NEXT TEAM

### LOCAL FOOTBALL SITUATION IS DUBIOUS.

**Bolton Probably Out of Game for the Season—Others Hurt.**

Next Saturday brings another football team to La Grande. Enterprise is booked by Manager Reynolds to be on hand that day giving La Grande two successive games at home. The following Saturday La Grande goes to Elgin to play a return game for the one scheduled here today with Elgin. The balance of the schedule is still somewhat in the air but will likely be within a few days.

Cecil Bolton has probably wore a football suit for the last time this year. He is still suffering with his neck, injured a week ago and the back field is in all probability to go without him. In addition to this tough luck Captain Lottes has been out of the practices for some time with a weak ankle.

Not quite 11 men of rattling good material and injuries among those who are versed in the game, has put Coach Caylor to thinking nights of late as to where he is going to fill out his team. The team lacks weight and experience, two very essential qualities regardless of revised rules.

Archie Hahn who is coaching Whitman this year is a Michigan alumnus though he is a Wisconsin native. He ranked as the closest short distance man of the middlewest between 1900 and 1903. He has been in Oregon for some time.

There will be approximately 43,000 seats in the Harvard stadium for the Yale game, November 25.

M. H. Horr, the former Syracuse football star and hammer thrower, is coaching the Purdue university squad.

Negotiations are now under way that it is hoped will lead to a game with Ontario at Baker two weeks from today, relates the Baker Herald. The Ontario school always sends out a

bunch of huskies and the game will be well worth while. Ontario regularly takes Boise and other Idaho teams into camp.

The tentative lineup of the alumnae is as follows: Finley C; Blatt, rs; Newton, rt; Burke, re; Wilson, rbb; Richardson, fb; Shinn, lhb; Smith, le; Hughes, lt; Blug, lg; Cuning, qb; Baer, Hindman and Howard, subs.

There are six candidates for quarterback on the Chicago varsity 11 and the best man weighs only 130 pounds.

The University of Pittsburg 11 have hopes of a game with Pennsylvania if the latter cancels the date with Michigan.

Surles, Hicks and Weir are the only 1910 team at West Point who will be missed from the army lineup this season.

The football game between the Joseph and Wallowa high school teams last Saturday was won by the home team, the score being 3 to 0 in favor of the Wallowa boys. Both teams put up a good game of ball, and it was interesting from start to finish. The high school fans for Wallowa were out in numbers, which gave them plenty of encouragement. In the evening the high school girls gave the winning team a lunch, and all had a jolly good time. On the 14th the Wallowa boys play a return game on the Joseph grounds.—Wallowa Sun.

### WITH THE BOXERS.

The promoters of the Johnson-Wells but are now and threaten to put the rollers under the game in London.

The bout between Bob Moha and "Cyclone" Thompson scheduled for New Orleans, Oct. 8, has been declared off.

Jack Curbey, the Chicago wrestling promoter, has signed up with Jim Flynn and will manage the "hope killer" in the future.

**Racing Begins at Pimlico.** Baltimore, Md., Oct. 7.—The fall meeting of the Maryland Jockey Club opened at the Pimlico track this afternoon and will run for 14 days. The events on the card of the opening day included the inaugural steeplechase, the Baltimore cup, for non-professional riders, and the Hotel Kernan purse, with \$500 added.

## FANS WONDER AT OUTCOME

### LITTLE CONFIDENCE AMONG BIG GAME FOLLOWERS.

**Local "Bugs" Are Few Who Can Acclaim Winner With Confidence**

**BETTING EVEN MONEY.** New York, Oct. 7.—Betting on the world's series is even money here today. New York baseball club's offices are flooded with checks for seat reservations and a new attendance is expected.

La Grande numbers many ardent followers of the big brush games and in years past the returns of the world series issued by the Observer had been sought for like syrup attracts flies. True, too, there has been generally a well-defined clique of men who were confident of picking the winner in the climax series of all baseball and advance arguments to back them up. But who is advancing any sound dope as reason why Connie Mack should repeat or the Giants should "bust" into the winning streak? Sure there are a few who are wise enough to back up their judgment with a few simonons, but these are few. When the world series starts on the 14th there will be less certainty among the fans than there has been since the Detroit-Chicago scrap of two years ago.

All the more reason though why the games should be of uncommon interest much as the signal streak of Portland at Vernon this week has been watched by La Grande people.

Cy Young won two of the three games the Boston Rustlers have copied from Pittsburg this season.

Boston sports are laying 10 to 8 that the Athletics will capture the series for the worlds championship.

It is said that Orvie Overall who has been pitching for the Stockton, Cal. team this summer, will return to the Cubs next season.

"Big Ed" Walsh, of the White Sox, picks the Athletics to cop the big series. Ed says that Jack Barry at short is the answer.

Arthur Irwin will be elected vice president of the New York Highlanders, and Hal Chase will manage the team again next season.

Too bad Bill Dahlen didn't get his Brooklyn team working right earlier in the season. The Sup-rbas played great ball during the last western trip.

Prough, Severold, Covalski, Marsans, Almeida and Balenti are a bunch of names that have Cincinnati fans up "in the air" trying to pronounce them.

Cliff Blankenship has been signed to manage the Helena team in the Union association. He managed the Salt Lake City team during the past season.

Pitcher "Stoney" McGlynn, of the Milwaukee team, is still the "Stone Man" of old. Twice within two weeks "Stoney" pitched a double header and won all four games.

"Honus" Wagner, Bobby Byrne and "Lefty" Leffler are making arrangements for an auto trip through Europe. Bobby will be "in dutch" in Germany, but when the trio hits Ireland he will surely show his German pals.

## TIRE INDUSTRY CLEARLY SHOWN

### PACKED OPERA HOUSE HEARS ADDRESS LAST NIGHT.

**Hints to Tire Users Accompany Moving Picture and Lecture.**

Steward's opera house was filled to capacity last night with a crowd of ladies and gentlemen, most of whom were auto owners or relatives of owners, to hear the "Tree to Tire" lecture and witness the moving pictures. The demonstration was given under the auspices of the B. F. Goodrich Tire company of Akron, Ohio, and the lecture and films took the audience to the region of the Amazon, saw how the trees were "milked" and how the raw product was transported and finally how the tires were made. Incidentally the audience saw some auto races that were thrillers and the lecture was highly enjoyed by everyone. The opera house was packed.

One of the many good advices given by the lecturer to automobile owners was the care of the tire. Small bruises lead to great trouble, he said and if the owner would see to it that the little bruises and cuts in the tire were cleared of dirt and glued together again it would prevent subsequent trouble. The lecture entertained not only those of the audience who could profit from the suggestions but was entertaining to the laymen, too.

### FOLEY'S HONEY AND TAR COMPOUND

A COMMON COLD neglected may go quickly into CROUP, BRONCHITIS, or PNEUMONIA which often means a sudden fatality. Keep FOLEY'S HONEY AND TAR COMPOUND always in the house and give at first sign of a cold. Refuse substitutes.

John Parsons, Stewart, Ohio, writes "We use Foley's Honey & Tar compound as our best and only cough remedy. It never fails to cure any of my seven children of cough. My 2-months' old baby has had a most severe cough which our doctor said he could not cure and that baby would surely die. Several of our relations and neighbors had gathered to witness the ending of the child's life. Two bottles of Foley's Honey & Tar compound cured the child and he is alive and well today."
