WALLOWA HAS BIG SNOWFALL

ENTERPRISE AND JOSEPH ARE BLANKETED THIS MORNING.

Not Believed Snow Will Last Long on Account of the Weather.

Enterprise, Oct. 10—Special—Snow three inches deep fell last night over this section of Wallowa county. The area of snow covered land today extends out from Enterprise, including Joseph and territory in that section.

The mercury has not gone down much and it is hardly likely that the snow will last any length of time. A strong wind gave the people the first touch of winter in that snow was blown about and the morning hours were anything but agreeable.

Noted Yeggmen on Trial. ers of one of the boldest and cleverest Boston, Mass., Oct. 10.—Jacob and bands of yeggmen that ever operated Joseph Goldberg, alleged to be lead- in Amrica, were placed on trial here

today for the robbery of a jewelry store early in 1910. After the robbery the Goldbergs and a third member of the band were arrested in New York with a quantity of the stolen jewelry, it is said, in their possession. Before the extradition proceedings were concluded the three men were released on bail and promptly fled to Europe. Inspectors of the Massachusetts police trailed the trio over Europe and finally located two of the men in prison in Austria and the third serving a term in Russia. At an expense of thousands of dollars the inspectors waited on the other side until the men were released and then

returned with them to Boston. One of the Goldbergs is alleged to be the inventor of the famous "can-opener," an exceedingly clever device by the means of which the band was able to rip open the backs of the strongest safes with little difficulty.
