 The readers of this paper will be
 pleased to learn that there is at least one
 dreaded disease that science has been
 able to cure in all its stages, and that is
 Catarrh. Hall's Catarrh Cure is the only
 positive cure now known to the medical
 fraternity. Catarrh being a constitutional
 disease, requires a constitutional treat-
 ment. Hall's Catarrh Cure is taken in-
 ternally, acting directly upon the blood
 and mucous surfaces of the system, there-
 by destroying the foundation of the dis-
 ease, and giving the patient strength by
 building up the constitution and assisting
 nature in doing its work. The proprietors
 have so much faith in its curative pow-
 ers that they offer One Hundred Dollars
 for any case that it fails to cure. Send
