DAY AN IDEAL ONE.

Bogus Tickets Delay Matters for a
 Time at the Gate.

New York, Oct. 14.—With McGraw
 and Connie Mack each confident of
 victory and thousand of fans ready for
 the cry of "play ball" the first day of
 the world's championship series be-

tween the Giants and the Athletics
 dawned cool and cloudy with every
 promise of ideal baseball weather this
 afternoon.

New signals are used by both teams.
 Thousands were at the gates and the
 flood of counterfeit tickets delayed
 matters for a short time.

McInnis Out of Game.
 The American league champions enter
 the contest considerably weakened
 because the bum wrist will keep "Stuf-
 fy" McInnis out of the game today
 and maybe out of the entire series.
 Harry Davis, the veteran first baseman
 will replace him, but he doesn't show
 his old form.

Crowd Is Enormous.
 Eager for the chance to see the first
 game, bleacherites began gathering at
 midnight. When the gates opened
 199-0 lined up and when the last ticket
 was sold 5,000 disappointed ones stood
 on the outside. There were over 50,
 000 on the grounds and buildings sur-
 rounding were crowded.

Giants Are in Danger.
 President Johnson of the American
 league who is also a member of the
 National baseball commission, said to-
 day that he would vote for the expul-
 sion of the Giants from the National
 league if it could be shown the club
 had anything to do with allowing
 spectators to get scalpers tickets for
 the championship games.

A LITTLE LESSON IN ECONOMY

QUESTION—Suppose you have two men working for you. The first
 you pay \$1 a day; the second \$2. The second man does three times as
 much work as the first. Which is cheaper for you?

ANSWER—The second man because he gives you better value for
 your money.

NOW TAKE LIGHTS. Oil lamps seem cheap when none of the dis-
 advantages are taken into consideration. But for very little more you
 can have electric lamps giving many times the light. Besides they
 are clean, odorless, safe and convenient.

When you consider how little more you pay, and how much more
 service you get, you cannot but agree that, at our present rates, elec-
 tricity furnishes the best and cheapest service. Phone Main 34 for
 rates.
