WANT AID TO BUILD ROADS

MOUNTAIN RESORT SEEKS BETTER OUTLET.

Starkey's News Items of General Interest to the Readers.

Starkey, Ore., Oct. 14.—(Special)—Frank McNeal, proprietor of the Lehman Hot Springs, came over from his resort the first of the week. He is looking out a location for a better road between here and the Springs. He desires the support of the La Grande people and thinks a good road would bring La Grande a good trade from the Camas prairie country.

L. E. Tipton, our forest ranger and a committee of stockmen have been riding over the forest reserve in order to make the annual reports to headquarters as to the number of stock that can be put on the reserve next year.

Lee Buckner has returned from the Harney country where he bought 200 head of cattle. He shipped to La Grande and then drove them to his range near here.

Gerald Stanfield came in from Stanfield this week. He is preparing to deliver the Joe Vey sheep and cattle to Mr. Vey the 1st of November.

Anton Vey of Sheep ranch is having a new roof put in the old buildings at that place.

Tom Williamson of La Grande calls on us each week with a supply of fruit and vegetables.

Mrs. J. C. Briggs was called to her father's home on Rock creek a few days ago, her father being quite ill.

Mrs. K. E. Burnett and children have moved to the McMillan place on account of school.

We mountaineers are looking forward to a lumber plant in our midst in the near future.

Farmers are very busy. We are having considerable rain which makes the grass excellent.

Leslie Dunn of McKay Creek has business in this vicinity this week.

J. M. Jones has sold his farm and will leave here in the spring.

BUGGY TIPS WITH TWO

MR. AND MRS. W. B. GRANDY ARE BRUISED BY FALL.

On Way to Cemetery, Horse Is Frightened and Accident Occurs.

Mr. and Mrs. B. W. Grandy, who live at Fourth and Adams, were thrown from a buggy yesterday and somewhat badly bruised but escaped without any broken bones, when the horse which they were driving became frightened at a passing automobile and bolted. The shafts broke and the buggy was tipped over, throwing both Mr. and Mrs. Grandy to the pavement with great force. It was feared at first that the injuries were very serious but today both are none the worse except for bruises and cuts that will heal speedily.

It was reported last night that they were in serious condition, but, fortunately, such did not prove to be the fact.

"IN A BAD WAY."
Many a La Grande Reader Will Feel Grateful for This Information.
When your back gives out; Becomes lame, weak or aching; When urinary troubles set in, Your kidneys are 'in a bad way.' Doan's Kidney Pills are for sick kidneys.
Local evidence proves their merit. Charles Kurz, 1613 Center street.

Baker City, Oregon, says: "I gladly give my name as one who has been benefitted by Doan's Kidney Pills. For 25 years I endured untold agony from gravel. There were severe pains in my back and when the stones were passed, I was in such great misery that I often had to scream. Attacks of this kind came at regular intervals and gradually my health was undermined. I lost weight, had a poor appe-

tite, and felt miserable in every way. I spent hundreds of dollars for doctors' treatment and used many well-known remedies, but I did not receive much relief until I began taking Doan's Kidney Pills. I was led to procure this remedy by reading the many public statements given in its praise and I am glad that I did so. This preparation has brought me great relief and had warded off return attacks of my trouble. I shall always do what I can to make the merit of Doan's Kidney Pills known."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Stray Notice.

A band of 300 sheep found on the Sawteeth of the Big Sheep on the Big Minam river, found by J. and H. Haffer, are now at Cove where the owner can identify the same and pay charges. The sheep are branded with an O with parallel lines crossing it.

H. HAFER, Cove.

Here is a woman who speaks from personal knowledge and long experience, viz., Mrs. P. H. Brogan, of Wilson, Pa., who says, "I know from experience that Chamberlain's Cough Remedy is far superior to any other. For croup there is nothing that excels it." For sale by all dealers.
