**BAKER NEGRO ASSAULTS LADY**

**VICTIM OF FIEND AGED FIFTY-NINE YEARS.**

Arrested, His Clothing Bloodsoaked, Evidence Seems Sufficient.

The Sunday morning Baker Demosays.

R. M. Armstrong, a negro boot-black, employed at the barber shop of Pete Howard, committed a violent assault on the person of Mrs. Rivers, cook, at the Kolb Hotel, about 1:30 this morning, cutting her very badly about the head and neck and causing injuries, while very serious are not expected to prove fatal. The negro is under arrest and is now safe in jail.

Mrs. Rivers, who is 59 years old, was asleep in her room at the hotel, when the negro entered and woke her up. She ordered him to leave and when he refused she began to scream and call for help. He then attacked her with a beer bottle which he had in his hand when he first entered the room and pounded her into insensibility. He then remained in the room until she recovered consciousness and tried to make her promise not to tell on him, and then left the place.

In the meantime Mrs. Rivers had succeeded in arousing the hotel and Dr. Parker was summoned to render medical aid. The police were immediately notified and before word reached the officers, Patrolman Nelson who was making his rounds through the alley between the Antlers Hotel and Main street found the negro hiding. He made excuses for being there at the time but Nelson was suspicious of him and his suspicion proved to be well founded. He made the man accompany him to the light and in the glare of the street lamps he saw that his clothes were covered with blood and the officer immediately placed him under arrest. Then Nelson found out the importance of the capture for when taken before Mrs. Rivers she positively identified him as the negro who had assaulted her.

Deputy Sheriff Herbert was soon on the scene and took the brute to the county jail. Armstrong has been reported to the officers several times before on account of his actions toward women but last night is the first time that he has attempted any violence of any kind. He is about 30 years of age, always well dressed and has been employed at the Howard barber shop for some time. In being on the job and grabbing the negro as he did, Officer Nelson certainly turned a good trick in taking into custody the black menace to the safety of women, for whom there is no punishment too severe.

To All Members of the Boys' Savers' Club.

Have you forgotten the "Boys' Savers' club"? Have you filled out your card yet with stamps and started a savings account with the savings bank at the postoffice? If not, do it now.

Remember, all boys having \$1.00 or more in the bank before Christmas day will be entitled to attend the free entertainment I am going to give you Christmas morning, and a share of the \$25.00 in gold that will be given away at that time.

Tell all your boy friends to come to me at once and get a card and make a start to save \$1.00 before Christmas.

Nearly 50 boys now have cards. We should have 250 boys by Christmas with a savings account. You can find me at the laundry any time during the day.

Yours truly,  
A. B. CHERRY.

**A Good Thing You May Have Overlooked**

DID YOU EVER REALIZE HOW USEFUL YOUR ELECTRIC LAMP SOCKET CAN BE?

When we think of electricity we naturally think of lights, because that is the way it is usually employed, but new uses and improvements are constantly being invented.

Among the many conveniences that electricity has made possible are electric ranges; heaters; irons; toasters; chafing dishes; hair driers; percolators; combination sets, etc.

All operate from an ordinary lamp socket, by the simple turn of a button.

Many of these articles we carry regularly in-stock; the others we will gladly order for you at any time. You will find our prices most reasonable.
