The decision in the debate gave the victory to the affirmative at the end of the program. The judges were Mrs. Trigg, John S. Hodgins and Dr. Seemann. In his paper on the "Aloha," President Merlin Batley issued a challenge to the Tillamums, the other literary society, to a contest to be held the evening of December 22 to consist of debates, oratory and other literary efforts which the committee may deem suitable for such a contest. The answer is expected at an early date.

Two marble busts, one of Belydere and one of Diana; one ivory bust of Shakespeare, and five bronze busts including Longfellow, Lincoln, Washington, Mozart, and Beethoven, have been received by the high school this week. The marble busts have been placed on the pedestals at the head of the hall and four more busts are expected to arrive soon.

The domestic science girls are having their lunches prepared at the noon hour in the school at the cost of material only. At the same time they are taught valuable lessons.

At a senior class meeting Thursday after school the following committee was appointed to select class pins: Ruth Gormley, chairman, Helen Richardson, Merlin Batley and Cecil Bolton.

There will be a rummage sale held in the basement of the Christian church on the corner of Washington and Depots streets, on Wednesday and Thursday, Nov. 1 and 2 in care of the ladies of the Christian church.

The boy's male quartet has been chosen but the names of the members have not been made public.

The stenography class will soon be divided into two classes with leaders for contest work.

The blackboards of the high school were repaired this week.

Preacher Arrests Flirt.
(Pendleton ast Oregonian.)
Rev. Charles J. Quinney, rector of the Church of the Redeemer, last night demonstrated that a minister of the gospel can sometimes protect his flock from worldly wolves as well

as administer to their spiritual wants when he pursued and captured single handed a man who had been following ladies of his church and annoying them with his attentions. The man in question was D. C. Knowlton, who has figured in other unsavory episodes in this city.

While several of the lady members are considering an addition to their big warehouse. Work also started on Monday on the cement foundation of the new union church. This building will occupy 32x60 feet.

F. O. Clarke informs us that he has the material on hand for a 20-room hotel and the building will be completed as soon as possible to build it. In addition to these buildings several new dwellings will soon rise. Two or three men are at work on Jas. Haun's new dwelling. Among others who will build dwellings are Messrs. Gray and Greeno. S. W. Miles also has a new dwelling.

It is only a matter of time until La Grange will be the biggest town in Walla Walla county. Mark this prediction.

That a journey of 1000 miles has long ceased to be a matter of comment. A host of Indian Motorcycle riders do that, and more, every year. Volney Davis crossed the continent twice for fun, once for a record, and is now crossing a fourth time for the pleasure of riding an Indian
