## WEST PROMISED MUCH PUBLICITY

GOVERNORS' SPECIAL WILL GET  
EXPLOITATION.

Prominent Newspaper Men to Accompany Western Executives.

(By P. H. Doyle.)

Boise, Ida., Nov. 8.—(Special)—That the western governors who will shortly tour the east as the guests of the "Governors' Special" will be busy during each waking moment on the trip, becomes evident from the schedule of the entertainments provided for the visiting governors during their stay in Chicago, on the first day of the special's trip. Though there will be at least nine western governors, each one a star attraction, it has been found difficult to meet the requests of the numerous organizations in each city to be visited, asking that one or more of the executive attend gatherings held by the different organizations in honor of the visit of the party. Many of the requests have come from equal suffrage organizations, who want the governors to publicly make known their views of the question of equal suffrage. Governor Hawley of Idaho, Hay of Washington and Johnson of California seem to be favorites with the ladies' clubs, though they are not averse, so it would seem, to have the other governors express their opinions at the suffrage meetings.

The special's stay in the "Windy City" will give the executives a good idea of the way in which their time has been allotted during the rest of the trip. Arriving in Chicago on the morning of the 28th, the party will go to the hotel provided for them, where an informal reception will be in order until noon. The Minnesota club has arranged a luncheon in honor of her most prominent citizen—Governor Eberhardt. Other luncheons have been provided for the visitors

## FOLEY'S HONEY AND TAR COMPOUND

FOR ALL COUGHS AND COLDS  
FOR CHILDREN AND GROWN PERSONS

Most effective with Croup and Whooping Cough

FOLEY'S HONEY AND TAR COMPOUND is quick and reliable. It stops the cough by promptly healing the cause. Contains no opiates. Is indispensable in a family where there are children.

### ST. JOSEPH, MICH.

Mrs. Frank Marti, 417 Church St., says: "Foley's Honey and Tar Compound saved the life of our baby boy. He contracted a severe bronchial trouble and coughed violently and had spells of coughing and gagging and turned black in the face. I always had great faith in Foley's Honey and Tar Compound and started giving it to the child. In a short time he was relieved and finally the cough was entirely stopped and the coughing and gagging spells ceased bothering him. He got well in a short time, gaining in weight and getting robust. Foley's Honey and Tar Compound has many times saved us trouble and this with the wonderful cure in baby's case shows its great merit. We are never without Foley's Honey and Tar Compound. We always keep it in the house."

by several of the commercial organizations and the land show management, which will furnish a lunch, and will then take the party to the land show at the coliseum, where a specially arranged program has been provided. In the evening, the party will be divided, as there are two big banquets on the program, at which several of the governors must make addresses. One will be the annual banquet of the Cook county realty board. Governor James H. Hawley of Idaho is the star attraction for that affair, as he recently accepted a special invitation from that body to attend. Some of the other governors are also scheduled for addresses. The Chicago association of commerce will tender a banquet in honor of the gubernatorial party, at which those of the governors who are not on the program at the former affair, will attend. The special will be accompanied from St. Paul to Chicago, by staff correspondents of the Chicago Tribune and the Record Herald. It is also assured that the train will be accompanied for the full trip by an Associated Press correspondent. On board the special from time to time will be correspondents of various papers who will meet the party at the preceding cities, so it is assured that the trip will be fraught with plenty of publicity for the west.

### To Whom It May Concern:

Regarding the La Grande Manufacturing company which is now making the automatic threshers at the Walla Walla plant, being interested in that line of machinery, I have just returned from a trip of investigation from Walla Walla. I find that on looking over the machine which has been in use the past season, that it is going to be of great interest to the farmer in the way of saving grain, saving straw and a great reduction of hired labor. The automatic thresher is a combined

separator, feeder, hoist and derrick mounted on one truck done away with the hoe down men and derrick teams. The machinery will save one half of the labor and more grain by having a steady feed that can be regulated while the machine is in motion. The machine will be built in sizes to suit the purchasers. I met the manager, Mr. John Shanks and I find him to be a very conservative and reliable man. The statement of his plans are as follows:

First—The La Grande Manufacturing company is capitalized for \$30,000, \$1 per share.

Second—He intends to build during the winter, five machines for the coming season to be distributed to be distributed in different parts of the county and in order to do this he would like to dispose of some stock to enable him to put the machine on the market. The price of shares is \$2 sold on ten month's time. Payments 10 per cent down and collectible the first of every month, or 10 per cent for cash. There is no doubt in my mind that the machine is what the farmer is looking for.

### Father's Vengeance

would have fallen on any one who attacked the son of Peter Bondy, of South Rockwood, Mich., but he was powerless before attacks of kidney trouble. "Doctors could not help him," he wrote, "so at last we gave him Electric Bitters and he improved wonderfully from taking six bottles. It's the best kidney medicine I ever saw." Backache, tired feeling, nervousness, loss of appetite, warn of kidney trouble that may end in dropsy, diabetes or Bright's disease. Beware! Take Electric Bitters and be safe. ## NEW MAXWELL MERCURY

## Stylish Speedy, 30 Hp. Roadster, \$1150

If you expect to buy a roadster see the new Maxwell Mercury. Don't fail—if you choose this car you will save money.

The new Maxwell Mercury is a test-proven mile a minute roadster. Smart "lines"—stylish finish—all the power and speed you could wish for in a car of this type—no matter what the price you would pay.

Compare it with expensive roadsters built for

1912 and you will appreciate its remarkable value. The smooth, flush-side, vestibuled and ventilated fore-door body—110 in. wheel base—high tension racing magneto, high speed carburetor, Columbia Honeycomb type radiator, new design hood, demountable rims, are refinements that mark it as an aristocrat.

Don't take this for granted—satisfy yourself that any man would be proud to own it. Phone or write if you cannot call.
