COUNCIL WORKS SHORT HANDED

MAYOR AND TWO COUNCILMEN ARE ABSENT.

Much Important Business at Special Session of Council Last Night.

With the mayor absent and Councilmen Davis, Orvis and Fleming not present, the city council was necessarily of a unanimous opinion in all measures passed last night for President W. J. Church occupied the chair and the five remaining votes were necessary to pass ordinances. It was somewhat of a busy night, however, and a great many important pieces of legislation were enacted into law.

Would Tax Rinks.

An ordinance was introduced last night which places a license on skating rinks, requiring their orderly conduction. The sums to be taxed and the punishment is blank, to be filled out by the judiciary committee where the document now lies awaiting the next meeting.

J. F. O'Connell has surrendered his motion picture to Frank Brown and Mr. Greenhall. The judiciary committee reported the matter favorably and the council adopted the committee report.

Mars Bid Accepted.

The street committee report recommending the John L. Mars bid for constructing macadam on North Fir, was accepted. The contract with Mr. Mars will be entered into at once that the work may start at the first opportune day.

Various street improvements were accepted. Work done by Samuel Story on Monroe avenue was accepted and a warrant for \$493.22 was ordered drawn in payment. Sidewalks on Second Third and L avenue recently built were accepted and sums reading \$820.21, \$285.00 and \$18.86 were ordered paid. The county however, is to pay \$90.93 as its half of the cost of building the walk on L avenue, in front of the court house.

Harry T. Hill petitioned for a cross walk on Third and O.

New by laws governing the La Grande fire department were read and referred to the police committee. The changes are quite extensive and make material changes in the rules of the company.

Bids for construction of board walk on Spring from Fourth to Alder were read. J. M. Matot and Mr. Oesterling were the bidders and their bids were referred. L. P. Oesterling's bid was accepted.

Chinese Gambling Charged.

A communication signed by G. W. Tull asserts gambling is carried on in the Hong Tuck store in the Chinese quarter. The gambling commences at 8 p. m. and 8 p. m. The communication asks that the police take steps to end it.

The ordinance taxing all fire insurance companies a sum of \$25.00 per year, was re-introduced in a modified form and was passed. The funds so received shall be used to maintain the fire department. As there are enough companies here to create a sum approximately \$2,000 annually, the department will soon be put on an up-to-date basis.

To Take up Beattie's Case.

Richmond, Va., Nov.—The supreme court of appeals of Virginia which convened for its autumn session today is expected to take up next week the appeal in the case of Hury Clay Beattie, Jr., the young man now under sentence of death for the murder of his wife. Should a writ of error be allowed it is probable that Beattie's second trial will be set for the January term.

The Farmer

more so than any other business man, requires the services of a bank, if he manages his farm in a systematic way. While he has no need for a set of books in which to keep a record of every transaction made, yet, during the course of a year he must pay out large sums of money for various purposes, and a record for future reference is highly important. Merchants may fail to give a receipt for cash, a neighbor may not recall the payment of money owed, but the farmer who pays his obligations by check has written evidence of such payments which any court must recognize. In the same way he has a record of monies received by the deposit entries on his bank book.

To the farmer, who desires such a record for his business, we extend an invitation to open an account with this bank.
