**NEW
MAXWELL
MERCURY**

Stylish Speedy, 30 Hp. Roadster, \$1150

If you expect to buy a roadster see the new Maxwell Mercury. Don't fail—if you choose this car you will save money.

The new Maxwell Mercury is a test-proven mile a minute roadster. Smart "lines"—stylish finish—all the power and speed you could wish for in a car of this type—no matter what the price you would pay.

Compare it with expensive roadsters built for

'1912 and you will appreciate its remarkable value. The smooth, flush-side, vestibuled and ventilated fore-door body—110 in. wheel base—high tension racing magneto, high speed carburetor, Columbia Honeycomb type radiator, new design hood, demountable rims, are refinements that mark it as an aristocrat.

Don't take this for granted—satisfy yourself that any man would be proud to own it. Phone or write if you cannot call.
