# TEAM MAY BE DISBANDED

UNCERTAIN IF MORE GAMES ARE TO BE PLAYED.

In the Meantime Players Will Rest—Pendleton Game Friday.

The local football season may and may not be over in this city. The team is right now resting on its oars deciding whether or not to play one more game on Thanksgiving day, but as yet no definite answer has been reached. The players will not do any material drilling this week in any event and if a game is scheduled they will resume their practices next week. The unsettled weather is largely responsible for the indecision.

**Important Game Friday.**

Pendleton, Nov. 13.—The Yale-Harvard game of Eastern Oregon, for such it may be called, will be played in Pendleton next Friday afternoon between the Baker high school and the Pendleton high school teams, the game opening up the real football season of 1911.

Baker will come to this city as this year's champions of Eastern Oregon, having thus far defeated every team it opposed in Idaho and having a standoff with La Grande.

The Pendleton team, while lacking real practice during the past few weeks, is using every effort to whip itself into perfect condition, and the locals promise to make it more interesting to the Baker boys than anything they have gone against this season.

Elaborate plans are being made to entertain a large number of prominent Baker citizens who have already expressed a desire to witness the game between their champions and the Pendleton team, whose prowess to them this year is an unknown quantity.

A special invitation has also been extended to Governor West, who will be in Baker this week, to attend the state Woolgrowers' convention, with the likelihood of his being present.

The annual game between Washington and Oregon universities, which is scheduled to be played in Portland the following day, will draw a large number of football enthusiasts from this city, but arrangements have been made to make special connection at Umatilla Friday evening by the motor car, thus allowing an attendance at both the game in this city Friday afternoon and the larger game in Portland the next day.

### MANY FAILURES.

But Parisian Sage Overcame Miss Kruger's Hair Troubles.

PARISIAN SAGE is not guaranteed to grow hair on bald heads but it is guaranteed by the well known druggists, the Newlin Drug company, to stop falling hair, eradicate dandruff and stop itching scalp, or money back. Sold in every town in America by leading druggists for 50 cents a bottle. Read Miss Kruger's letter.

"PARISIAN SAGE is the best hair grower and beautifier and dandruff cure. I lost all my hair through typhoid fever; I was almost bald-headed and my scalp was as sore as could be. I tried everything, but in vain. Finally I tried PARISIAN SAGE, and after using one bottle my hair started to grow, and has grown three or four inches inside of two months. I advise every woman who wants beautiful hair to use PARISIAN SAGE." Miss Meta M. Kruger, Brownstown, Minn. 11-14, 23-12-5.

### YOUR HOLIDAY SHOPPING.

The time is not far distant when everyone will be arranging for holiday purchases. It is very essential in order to get the greatest satisfaction that shopping be done early. It is better for the shopper, better for the merchant, and decidedly better for the clerks in the different stores. La Grande stores are filled with splendid articles that will make useful gifts. Take a look around and begin figuring out what you are going to buy for the holiday season. It is none too early.

### TODAY MORE THAN 50 PEOPLE HAVE THEIR TEETH TAKEN CARE OF WHERE ONE DID 20 YEARS AGO

Why? There are hundreds of dentists today where there was but one a few years ago.

Why? Because YOU realize the importance of keeping the mouth and teeth in good condition as well as the rest of the body, in fact you think it is a little more important.

A little study in physiology teaches you that the digestive organs cannot take care of the food taken into the body unless it is properly prepared in the mouth, properly masticated and mixed with the saliva. Look into the matter a little and then go and see your dentist and he will tell you more than you already know.

We are here to do that very thing and to assist you in the proper care of the teeth and mouth.

Resp.,

J. E. Stevenson, D. D. S.

# "Net Earnings Show Increase"

Whenever you hear that expression in connection with the affairs of a business concern, you at once conclude it to be in a prosperous condition.

The term "net earnings," whether applied to the business of the largest corporation, partnership, or just your own affairs, means the actual amount remaining as profits after expenses of every nature have been paid.

In order that you can know what you are actually earning each month—that is, what you have left after paying your bills—you should have a check account with this bank. Every check is a complete record and enables you to keep an accurate check on your money affairs.

At the end of the month, when your book is balanced by us, you have a balance sheet that shows, to a cent, the amount of your net earnings.
