Demand Continues to Send Dealers to Outside Points.

While Portland wholesale markets are careening one way and another, the retail cost of turkeys, ducks and geese for Thanksgiving in La Grande remains unchanged. The La Grande meat dealers are still required to send out of the county for their supplies but by so doing will fill the demand satisfactorily. The uncertainties of the Portland market which is up and down, has not been felt here and it appears local celebrators will not have to pay any unreasonable prices.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
