Nearly every day we read of some fire or accident caused by a kerosene lamp. They are especially dangerous, especially where there are children in the home.

OIL LAMP EXPLODES: BUILDING DESTROYED

A kerosene lamp which A. Burgoyne of 6042 Millard avenue, has been in the habit of leaving lighted each night in the dining room of his home, exploded at 1 o'clock this morning. The flames spread throughout the house, completely destroying the building. The family managed to escape with their clothing but it was impossible to save any furniture. A neighbor who heard the explosion saw the flames spreading and warned the people in the house of the impending danger .- Portland Journal, Nov. 1.
