lished is evidenced by the fact that
this winter she is playing more con-

LA GRANDE GIRL POPULAR

Miss Stephenson Doing Excellent
Work in Portland.

(By Wilbur F. Brock.)
Portland, Ore., Nov. 15.—(Special)
—Yesterday your correspondent met
Miss Mildred Stephenson and her
mother on a street car. They were
en route to an east side theatre where
Miss Stephenson has an engagement
as pianiste.

La Grande people will remember
Mildred Stephenson as a musician in
La Grande theatres who for some
months during last spring and sum-
mer pleased La Grande audiences
with her singing and playing. It will
also be remembered that Miss Step-
henson participated in the Observer
subscription contest and captured one
of the prizes. She chose a scholar-
ship in Whitman college, Walla Wal-
la, Wash., which on her request, was
exchanged for lessons with Mrs. Rose
Reed Hanscome.

Miss Stephenson came to Portland
to study with Mrs. Hanscome and is
taking two lessons a week. Mrs.
Hanscome says that Miss Stephe-
nson's improvement in two months has
been phenomenal. Miss Stephenson
is not allowed to sing professionally
but plays at the Belmont theatre, East
side of Portland, Belmont street, be-
tween 33rd and 34th streets. The the-
atre and surroundings for the young
lady are very pleasant. Miss Stephe-
nson and her mother reside at 355
Sixth street, corner Mill.

The people of the Grande Ronde
valley will be gratified to know that
one of their own is making notable
progress when abroad.

FREE IF IT FAILS.

Your Money Back if You Are Not Sat-
isfied With the Medicine We
Recommend.

We are so positive that our remedy
will permanently relieve constipation,
no matter how chronic it may be, that
we offer to furnish the medicine at our
expense should it fail to produce satis-
factory results.

It is worse than useless to attempt
to cure constipation with cathartic
drugs. Laxative or cathartics do much
harm. They cause a reaction, irritate,
and weaken the bowels and tend to
make constipation more chronic. Be-
sides, their use becomes a habit that is
dangerous.

Constipation is caused by a weakness
of the nerves and muscles of the large
intestine or descending colon. To ex-
pect permanent relief you must there-
fore tone up and strengthen these or-
gans and restore them to healthier ac-
tivity.

We want you to try Rexall Orderlies
on our recommendation. They are ex-
ceedingly pleasant to take, being eat-
en like candy, and are ideal for chil-
dren, delicate persons, and old folks,
as well as for the robust. They act
directly on the nerves and muscles of
the bowels. They apparently have a
neutral action on other associate or-
gans or glands. They do not purge,
cause excessive looseness, nor create
any inconvenience whatever. They may
be taken at any time, day or night.
They will positively relieve chronic or
habitual constipation, if not of surgical
variety, and the myriads of associate
or dependent chronic ailments, if taken
with regularity for a reasonable length
of time. 12 tablets, 10 cents; 36 tablets,
25 cents; 80 tablets, 50 cents. Sold
only at our store—The Rexall Store.

Eye Troubles Are Hereditary

Eye troubles are caused,
largely on account of the
improper FORM of the
eyeball. The shape of the
eyeball is inherited as
are all other physical fea-
tures as the nose and
mouth. If you have eye
troubles, your children
are more than likely to
be affected similarly.

RED LIDS, STYES,
Itching Lids, Aversion to
Study and Listlessness
are sure signs of eye
trouble in children.
We relieve such troubles
