The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

TODAY MORE THAN 50 PEOPLE HAVE THEIR TEETH TAKEN CARE OF WHERE ONE DID 20 YEARS AGO
Why? There are hundreds of dentists today where there was but one a few years ago.
Why? Because YOU realize the importance of keeping the mouth and teeth in good condition as well as the rest of the body, in fact you think it is a little more important.
A little study in physiology teaches you that the digestive organs cannot take care of the food taken into the body unless it is properly prepared in the mouth, properly masticated and mixed with the saliva. Look into the matter a little and then go and see your dentist and he will tell you more than you already know.
We are here to do that very thing and to assist you in the proper care of the teeth and mouth.

"Net Earnings Show Increase"

Whenever you hear that expression in connection with the affairs of a business concern, you at once conclude it to be in a prosperous condition.
The term "net earnings," whether applied to the business of the largest corporation, partnership, or just your own affairs, means the actual amount remaining as profits after expenses of every nature have been paid.
In order that you can know what you are actually earning each month—that is, what you have left after paying your bills—you should have a check account with this bank. Every check is a complete record and enables you to keep an accurate check on your money affairs.
At the end of the month, when your book is balanced by us, you have a balance sheet that shows, to a cent, the amount of your net earnings.
