The McCASKEY SYSTEM

The One Writing Method of handling accounts. By the use of The McCaskey System we furnish each customer with a sale slip after every purchase. This sale slip shows what was bought, the price paid for each item and the last previous balance, all footed up.

Our customers have the same record of their accounts as we, and in the same handwriting. Our customers always know what they owe, their accounts cannot grow over night.

The McCaskey System protects you against error, it saves time and labor for us.

We would like to have an opportunity of explaining our McCaskey System to you.
