I began taking them and sure enough

GOSSARDS GIVE HEALTH AS  
WELL AS STYLE.

By wearing the Gossard Corset,  
which is built RIGHT, thousands of  
women are gaining remarkably in  
health.

Physicians trace many ills of wo-  
men to tight lacing or faulty corsets  
and prescribe the Gossard for ail-  
ments caused by other corsets.

The Gossard is a God-send to the  
woman who wants solid comfort for  
her back, perfect freedom in breath-  
ing, in walking, or when seated, or  
whose pride demands a stylish, dis-  
tinctive figure.

There is a Gossard model for every  
figure. \$3.50 to \$8.50.

Try one and be convinced. A com-  
plete line always on hand.

TODAY MORE THAN 50 PEOPLE  
HAVE THEIR TEETH TAKEN CARE  
OF WHERE ONE DID 20 YEARS AGO

Why? There are hundreds of den-  
tists today where there was but one a  
few years ago.

Why? Because YOU realize the im-  
portance of keeping the mouth and  
teeth in good condition as well as the  
rest of the body, in fact you think it  
is a little more important.

A little study in physiology teaches  
you that the digestive organs cannot  
take care of the food taken into the  
body unless it is properly prepared in  
the mouth, properly masticated and  
mixed with the saliva. Look into the  
matter a little and then go and see  
your dentist and he will tell you  
more than you already know.

We are here to do that very thing  
and to assist you in the proper care  
of the teeth and mouth.

Resp.,

J. E. Stevenson, D. D. S.

## "Net Earnings Show Increase"

Whenever you hear that expression in  
connection with the affairs of a business con-  
cern, you at once conclude it to be in a pros-  
perous condition.

The term "net earnings," whether ap-  
plied to the business of the largest corpora-  
tion, partnership, or just your own affairs,  
means the actual amount remaining as prof-  
its after expenses of every nature have been  
paid.

In order that you can know what you are  
actually earning each month—that is, what  
you have left after paying your bills—you  
should have a check account with this bank.  
Every check is a complete record and en-  
ables you to keep an accurate check on your  
money affairs.

At the end of the month, when your book  
is balanced by us, you have a balance sheet  
that shows, to a cent, the amount of your net  
earnings.
