### ONE MILLION DOLLARS FOR A GOOD STOMACH.

This Offer Should Be a Warning to Every Man and Woman. The newspapers and medical journals recently have had much to say relative to a famous millionaire's offer of a million dollars for a new stomach. This great multi-millionaire was too busy to worry about the condition of his stomach. He allowed his dyspepsia to run from bad to worse until in the end it became incurable. His misfortune serves as a warning to others.

Every one who suffers with dyspepsia for a few years will give everything he owns for a new stomach. Dyspepsia is commonly caused by an abnormal state of the gastric juices, or by lack of tone in the walls of the stomach. The result is that the stomach loses its power to digest food.

We are now able to supply certain missing elements—to help to restore to the gastric juices their digestive power, and to aid in making the stomach strong and well.

We know that Rexall Dyspepsia Tablets are a most dependable remedy for disordered stomachs, indigestion, and dyspepsia.

We want you to try them and will return your money if you are not more than satisfied with the result.

Three sizes, 25 cents, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store.

the yards this morning. Accurate descriptions of these were gained but it does not follow that they were necessarily members of the gang.

#### Partial Witness Found.

Late this afternoon an old Englishman named Timothy Palmer, a brother of John Palmer of this city, is being examined and considerable information has been obtained relative to the case. He says that just before midnight he and a man known as "Dutch" or Fred, and whose real name is said to be John Shalen instead of Fred Lemke—and now under arrest—purchased some whiskey at Dutch town saloon, and Tim got three bottles of beer. Then the two started for the house where the deed was committed, intending to spend the night there alone drinking their liquor and visiting together. On their arrival there, they found the house filled with people, and at their approach a noise indicating the stove had been kicked over greeted their ears. Tim got scared and left, not being anxious to mix in a fight, but Fred or "Dutch", as he is known, went in, Tim says. Palmer came away after leaving his beer bottles under the sidewalk and went back this morning to gather them in.

He found that all but one had been taken. A man was with him this morning but he didn't recollect his name. The two did not look into the house which at that time contained the body of Fitzgerald. Palmer said the news of the killing was not imparted to him

until the officers advised him.

From this it is gleaned that the fight which Tim describes as being a regular rough house occurred about midnight and that the killing was done

at a subsequent hour. Whether the

crime was committed before the full of fighters or some lone person sneaked back and "got" his victim, is

something that may never be known.

One of the suspects now under arrest is reported to have been in the house and seen the fight but does not know anything about an axe.
