WALLOWA MAN WINS HONORS

TEACHERS ELECT CONLEY PRESIDENT.

Mrs. Nell of La Grande Re-Elected Treasurer of Association.

(Baker Herald, Nov. 29.)

The 11th annual convention of the eastern division of the Oregon State Teachers' association is now a matter of history, the meeting having practically closed at noon when those from Malheur went east and the special train left for Pendleton. The official end was this afternoon. At the opening of the meeting this morning the assembly elected the officers for the next convention and adopted resolutions endorsing a state text book commission; their effort to raise the vocation of teaching to the rank of a profession; their confidence in the qualification in the state superintendent of school, L. R. Alderman; their unswerving allegiance to the higher institutions in this state; their recognition of the benefit of the successful methods of instruction; their appreciation of the work of the officers and speakers of the institute; to the O-W-R. & N. Co., for its courtesy to the teachers of Baker county and city, to the Baker Commercial club, to the local committees, to the ladies of the Episcopal and Christian churches, and to the citizens of Baker generally for their entertainment and co-operation.

Those elected were J. C. Conley, Wallowa county, president; H. K. Shirk, Enterprise, secretary, and Mrs. N. G. Nell, La Grande, treasurer and J. F. F. Smith, Baker, D. L. Milligan, Malheur, A. G. Bailey, Elgin, Frank Wells and J. C. Conley, Wallowa, as members of the executive board and L. R. Alderman, ex-officio member.

Union County "Strong."

Union county had one more representative at the teachers' convention than did the county of Baker, where the meetings were held. The tabulated list of attendances follows:

Baker 123
 Umatilla 167
 Union 124
 Malheur 54
 Wallowa 59

Total 527

La Grande teachers speak very highly of the entertainment received at the hands of the Baker folk and applaud the program highly. The speakers were exceptionally instructive in their lectures and in every way the convention was a success. The total number present outstripped all former records.

The nominating committee which prepared the nominations for officers, was Prof. E. E. Bragg, La Grande; Prof. E. B. Conklin, Ontario; Prof. B. F. Lander, Pendleton; E. W. Dunn, Halfway and Roy Conklin of Wallowa.

Notice of School Election.

Notice is hereby given to the legal voters of School District No. One of Union county, state of Oregon, that a special school meeting of said district will be held at Auditorium of new high school building in said district on the 8th day of December, 1911, at two o'clock in the afternoon for the following objects: to vote on the proposition of levying a tax for the maintenance; and for the other necessary expenses of the district, and for the payment of interest on the bonded debt of the district and for the payment of bonds of the district and for the payment of the debt of the district.

Dated this 28th day of November, 1911.

J. W. KNOWLES,
 Chairman Board of Directors.

Attest:—
 ARTHUR C. WILLIAMS,
 District Clerk.

When Ice Covered Europe.
 During the long tertiary epoch, when organisms disappeared themselves on the site of Paris and mastodons tramped along the valley of the Thames, the earth was in the throes of mountain making. The Alps, the Himalayas, the Alleghenies, the Andes, attest the power of her activity in those days. At their termination our continents stood greatly higher than they do now, and this aided their glaciation, although it does not fully account for it. But as they became loaded with ice Europe and America gradually and we may venture to say contemporaneously sank. This was inevitable. Owing to the extreme heat and pressure prevailing in its interior the earth is an eminently elastic body. Its surface actually bulges in or out with a very slight increase or decrease of the load upon it.

Children's Pretties.

At times it cannot be denied the questions of children become irksome, but who would wish a child to ask no questions? Julius Sturm tells in one of his pretty fairy tales how a grandfather, driven into impatience by the constant questioning of his grandchild, exclaimed, "I wish your tongue were out of joint!" But when unexpectedly his wish was fulfilled and the child became dumb how he joyfully exchanged one of the two years which an angel had prophesied he was yet to live for the privilege of hearing the little one's prattle again!—Exchange.

A Notable Exception.

"All animal products, you know," said the teacher, "are perishable and soon decay if not artificially preserved."

"Yes, sir," cordially assented the solemn young man with the wicked eye, "especially elephants' ivory."—Chicago Tribune.

Ridiculous.

Newlywed—What, \$20 for a hat? Why, that's simply ridiculous, my dear! Mrs. Newlywed—That's what I thought, Harold. But you said it was all we could afford.—Atlanta Georgian
