#### Discards Badge to Marry.

Uniontown, Pa., Dec. 4.—Miss Lucy Beech Johns of this city, who is said to be the only woman deputy sheriff in the United States, resigned her position today in anticipation of her early marriage to John C. Grier, a Pittsburg traveling salesman. Miss Johns has been deputy sheriff of Eavette county since the beginning of the present year. At the time she took the badge of office she received a

handsome gold mounted police revolver and a badge studded with jewels. Since that time she has assisted in the capture of several men, including a murderer, who had escaped from the county jail.

## BY-PRODUCTS BEING WASTED

### JELLIES, JAMS AND VINEGAR ARE OVERLOOKED

#### O. A. C. Professor Urges Installation of Small Plants.

Corvallis, Ore., Dec. 4.—(Special)—"We should be shipping out trainloads of high grade vinegar, jellies, jams, canned apples and evaporated fruits," said Prof. C. I. Lewis of the Oregon Agricultural college division of horticulture in a recent address before the Hood River Fellowship association on the utilization of low grade apples. He advised co-operative vinegar and evaporating plants for growers to handle the culls.

"Many communities make a serious blunder," continued Prof. Lewis, "in making these plants too expensive. Elaborate machinery is installed, tying up capital in unnecessary machinery. The result is that many thus prove failures. By using proper precaution in establishing by product factories and employing men who understand the business, we will be able to manufacture our culls into products that we can dispose of at handsome profits."

### SKATERS FIND PLEASURES

#### ICE AT PERRY SATISFIES LARGE AUDIENCES.

#### Scores Go to Perry From La Grande to Spend Sunday Afternoon.

Not in many years has ice skating been so near perfection as this year and scores yesterday glided over the glassy ice at Perry. The area to be skated upon is large, extending from the lower dam to the red bridge and in most all cases it is very smooth.

Large parties of La Grande people went to the sawmill town and spent the afternoon there enjoying the exhilarating sport which is so seldom followed with any degree of enthusiasm in this section of the state. Both in area and smoothness the ice excels former years by far.

A Des Moines man had an attack of muscular rheumatism in his shoulder. A friend advised him to go to Hot Springs. That meant an expense of \$10.00 or more. He sought for a quicker and cheaper way to cure it and he found it in Chamberlain's Liniment. Three days after the first application of this liniment he was well. For sale by all dealers.
